COMMUNITY ENGAGEMENT

IN LINE WITH FORMULA 1'S GLOBAL COMMITMENTS TO COMMUNITY INCLUSION, SUSTAINABILITY, AND EDUCATION, OUR VISION IS TO CREATE AN EVENT WITH LASTING POSITIVE CHANGE IN NEVADA.

COMMUNITY INCLUSION

We support the social and economic service organizations that serve the most vulnerable.

SUSTAINABILITY

Our ambition is to create an event, pit building, and fan experience that are aligned with Formula 1's global sustainability commitments.

EDUCATION

Through experiential learning programs, we are committed to improving the quality of education for all in Southern Nevada.

COMMUNITY ENGAGEMENT

Food Insecurity Campaign

Last August, LVGP launched a campaign to help fight food insecurity in Las Vegas.

F1 fans were invited to submit a \$7.77 donation to the Las Vegas Grand Prix Foundation to join a preferred waitlist for the ticket sale with a goal of providing one million meals to families and communities in need.

- + Three Square: \$333k for One Million Meals
- + The Just One Project: \$250K
- + Project 150: \$100k
- + Green Our Planet: \$60K

TOTAL = \$743K (95,000 \$7.77 deposits)

Largest hunger relief organization in Southern Nevada;
\$1 = 3 meals donated

Green Our Planet brings farming + nutrition education to CCSD schools and families

Project 150 provides homeless youth and families with meals, clothing, and other essentials

The Just One Project is the largest distributor of Three Square meals across LV

COMMUNITY ENGAGEMENT

GREEN OUR PLANET

WITH SUPPORT FROM THE LAS VEGAS GRAND PRIX FOUNDATION, GREEN OUR PLANET HOSTS THE LARGEST STUDENT-RUN FARMERS MARKET IN THE COUNTRY

- + The LVGP team invited F1 fans and supporters in Southern Nevada to join us at Green Our Planet's Downtown Summerlin farmers market on Earth Day Weekend.
- + More than 60 CCSD schools participated by selling produce and crafts to support their school garden and hydroponics programs.

EVENT PLANNING

TRACK SAFETY TEST SCHEDULE

- + F1 will require two track closures for testing the various technology around the track and a high-speed test.
- + Testing will NOT be done with an F1 vehicle. The vehicle that will be used for this testing will be an official race vehicle

EVENT PLANNING

EVENT DAY CLOSURE SCHEDULE

- + Hot Track is from 5:00 pm-2:00 am on event days
- + On event days, roads will begin to close at 5:00 pm
- + Inbound lanes will be closed first to let the cars filter out. Outbound lanes will be closed as soon as all vehicles have been cleared.
- + Once vehicles have been cleared, we will begin to close the 38 openings around the track
- + At 7:00 pm, the track will be fully built and turned over to the FIA to prepare for track activity

EVENT PLANNING

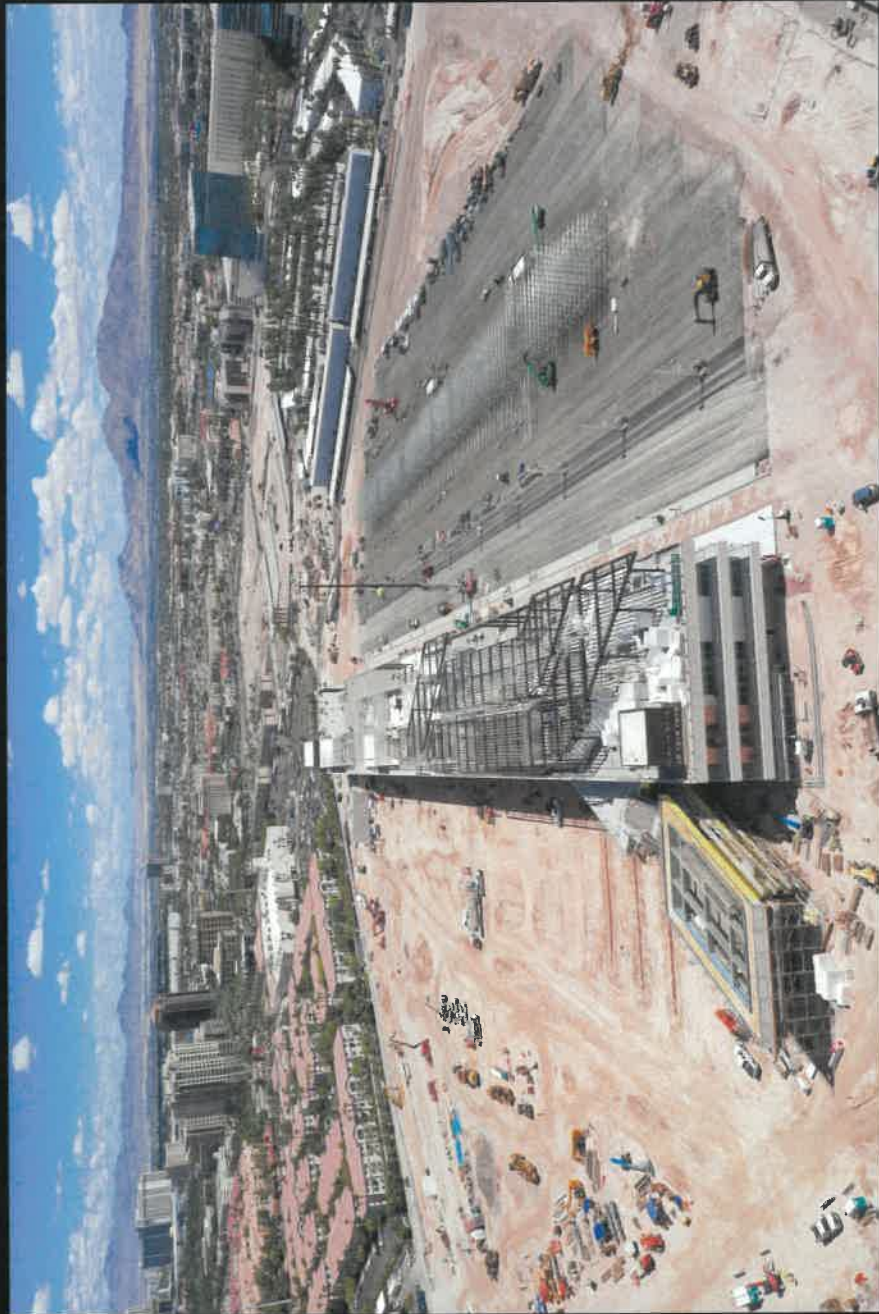

EMPLOYEE PARKING PLAN

- + Properties inside the track will provide an option for their employees to park off site at the Las Vegas Convention Center during the event times.
- + LVCC will provide credentials for each property to park in a designated area. These parking areas will be controlled by security to ensure that only authorized vehicles park in designated areas.
- + In addition to the LVCC spaces, Las Vegas Grand Prix has also confirmed other surrounding parking lots to accommodate additional parking needs from each property inside the track.
- + Once employees have parked, they will proceed to the Monorail to access their place of work at the following stations...
 - Harrah's/ The Linq Station
 - Flamingo/Caesars Palace Station
 - Horseshoe/Paris Station
- + The Monorail will run 24 hours starting Thursday, November 16th at 7:00am and ending on Monday, November 21st at 3:00am.
