I am currently serving as Secretary for the Rotary Club since February 2022 until present. I have been elected as Vice President of the Rotary Club Laughlin beginning July 1, 2024, to July 1, 2025.

Skills and Experience: Please provide a brief description of your qualifications; include any special skills, interests, experience, or training which you possess or have completed that would benefit the work of the Colorado River Heritage Greenway Park Trail Advisory Council. If you need additional space, please attach an additional sheet of paper.

Today, I work for the LVMPD Laughlin Substation as a Community Liaison and Law Enforcement Support Technician. Working as a liaison has given me a path to network with various agencies. By bringing events that provide a better quality of life to the area I serve. My community work with these agencies has allowed me to build a good report, trust, and positive police reputation. Allowing me the opportunity to bring humanity to those within my reach. Therefore, I would work in the same manner as a member of the counsel; Imparting good conduct and high ethical standard and a good reflection on Clark County.

I worked for the Laughlin Town Manager's Office from 2014 to 2017, first as a volunteer, then as an employee. Giving me the opportunity to familiarize with Clark County Departments in terms of how they govern within the county and overlap to be an effective public service to its taxpayers.

While working for the Town Manager's Office I was Secretary to the Searchlight Town Advisory Board, and in an intermittent function for the Laughlin Town Advisory Board. Therefore, I have been trained in Open Meeting Laws. I also was able to experience working with all participating agencies in putting on the previous annual Wings and Wildlife and National Parks Day events. Knowing full well what agencies are needed to bring this event back to the community.

Prior to working for the Laughlin Town Manager's Office, I very briefly worked for Clark County Assessor's Office, where I was highly recommended to then Laughlin Town Manager Jackie Brady and Director of Planning Deborah Murray as a potential employee. I sadly departed from the Clark County Assessor's Office due to my inability to commute daily the long distance between Laughlin and Las Vegas.

I retired from the San Joaquin County Assessor's Office in 2010. During my 17 years of employment as an Auditor / Appraiser Technician, I learned to assess and appraise multiply types of properties. Such properties included: residential, agricultural, commercial, businesses and possessory interest property. That work experience has given me an eye for detail and an experience and first-hand knowledge of reading contracts, financials, maps, plats, and plans and the inner workings of County Departments such as Permits, Planning, GIS, Public Works, Records, Tax Collector's Office, Assessor's Office, Board of Appeals, and County Counsel to name a view.

Information such as those previously mentioned could be considered invaluable to an advisory group to the Commissioner's Office. Being able to identify pre-emptively actions that should be brought to the attention of Clark County to support its best interest.

A resume and letter of interest is REQUIRED. Please attach it to this application.
