Analysis

Comprehensive Planning

Zone Change

In addition to the standards for approval, the applicant must demonstrate the zoning district is compatible with the surrounding area. The proposed RM32 zoning is compatible with the area since the same zoning district was previously approved to the south of the site. West and north of the site is a middle school; farther north and east of the site is commercially zoned. Furthermore, the request complies with Policy 1.3.2 which encourages the mix of housing options in terms of product type and lot sizes within larger neighborhoods. For these reasons, staff finds the request for the RM32 Zone appropriate for this location.

Staff Recommendation

Approval. This item will be forwarded to the Board of County Commissioners' meeting for final action on August 7, 2024, at 9:00 a.m., unless otherwise announced.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Master Plan, Title 30, and/or the Nevada Revised Statutes.
