4. Exhibit A- Scope of Work, Page A-4, Annual Support, Technical Support Fees

"ORIGINALLY READ"

Client understands that technical support fees will be required annually, in order to receive software updates and technical support. The support period shall begin from the date of go-live as part of the initial first year costs. Client may elect to purchase subsequent annual support, on a yearly basis at a fixed cost, and billed annually, separate and apart from any license fees required by this Agreement. The option to purchase annual support is solely at Client's discretion. Client's license to use the Software Program(s) is not dependent upon Client purchasing annual support; however, if Client discontinues annual support, Client will not be provided with updated versions of the Software Program(s), unless the updates are purchased by Client. Provided Client's computers, network and systems meet recommended specifications set by Karpel Solutions and Client has purchased and is current with annual support payments, Karpel Solutions will provide updated versions of the Software Program(s) as they become available during the terms of the Agreement. If Client elects to renew the annual support service, Karpel Solutions has the right to increase current pricing for annual support at the time of renewal, provided that notice of the increased pricing is provided to Client prior to the effective date of the renewal of the annual support service.

"REVISED TO READ"

Client understands that technical support fees will be required annually, in order to receive software updates and technical support. The support period shall begin from the date of go-live as part of the initial first year costs. Client may elect to purchase subsequent annual support, on a yearly basis at a fixed cost, and billed annually, separate and apart from any license fees required by this Agreement. The option to purchase annual support is solely at Client's discretion. Client's license to use the Software Program(s) is not dependent upon Client purchasing annual support; however, if Client discontinues annual support, Client will not be provided with updated versions of the Software Program(s), unless the updates are purchased by Client. Provided Client's computers, network and systems meet recommended specifications set by Karpel Solutions and Client has purchased and is current with annual support payments, Karpel Solutions will provide updated versions of the Software Program(s) as they become available during the terms of the Agreement.
Notwithstanding any other provision of this Exhibit A or the Contract, for the last three (3) renewal terms, the annual support per-user maintenance fee for PROSECUTOR by Karpel (425 users) shall increase by twelve percent (12%) per year, compounded annually, applied to the baseline rate of $575 per user. After the

conclusion of such three-year period, PROVIDER shall have the right to adjust annual support fees for subsequent renewal periods upon sixty (60) days' prior written notice to COUNTY. The parties acknowledge that any such adjustments are intended to reflect PROVIDER'S actual costs, including without limitation, any pass-through costs for Microsoft hosting and service fees, and PROVIDER shall use commercially reasonable efforts to minimize increases to the extent practicable."

5. Exhibit A, Page A-4, Investment Summary and Pricing, add Subsection 7

7. "Renewal periods three-five Compounded Pricing Schedule (per Amendment No. 1): The per-user rate for PROSECUTOR by Karpel and other applicable user-based annual support components shall follow the 12% compounded schedule for the last three renewal years as set forth in the ANNUAL SUPPORT – TECHNICAL SUPPORT FEES section above."

This Amendment No. 2 represents an increase of $601,579.

Except as expressly amended herein, the terms and conditions of the CONTRACT shall remain in full force and effect.
