Bombas is a comfort-focused, basics apparel brand with a mission to help those in need. The company was originally founded in 2013 because socks are the #1 most requested clothing item at homeless shelters. Underwear and t-shirts are #2 and #3 respectively. While the brand started with and is known for its extremely comfortable socks, Bombas used its expertise in comfort to launch into apparel with t-shirts in 2019 and most recently, underwear in 2021. For every item purchased, a specially-designed item is donated to someone at risk of or currently experiencing homelessness. To date, Bombas has donated over 250 million items.
