BACKGROUND:

Bombas is a comfort-focused basics apparel brand founded in 2013 with a mission to support individuals experiencing or at risk of homelessness. The company was founded after recognizing that socks are the most requested clothing item at homeless shelters, followed by underwear and T-shirts. Originally known for its comfort-focused socks, Bombas expanded into T-shirts in 2019 and underwear in 2021. Through its Giving Program, Bombas donates a specially designed item for every item purchased. To date, the company has donated more than 250 million items to those in need.
