

Coronavirus Relief Funds

January 19, 2021

Purpose and Use of Funds

Overview

- The CARES Act established the Coronavirus Relief Fund and appropriated \$150 billion to the Fund for allocation to state and local governments.
- Payments from the Fund may only be used to cover:
 - Necessary expenditures incurred due to the public emergency with respect to COVID-19.
 - Costs not accounted for in the most recent budget as of March 27, 2020 (date of enactment of the CARES Act).
 - Costs incurred between March 1, 2020 and December 30, 2020.

Consolidated Appropriations Act 2021

- The Coronavirus Relief Funds have been extended from December 30, 2020 to December 31, 2021.
- The State of Nevada will receive \$208 million in rental assistance funds, \$31.7 million of which will be directly awarded to Clark County.
- Economic support funds will be allocated directly to the State of Nevada for unemployment, nutrition assistance, and workforce training.
- Public health funds will be allocated directly to the State of Nevada for COVID-19 testing, mitigations, and vaccinations.

Consolidated Appropriations Act, 2021

H.R. 133 Coronavirus Relief Provisions

- The third federal coronavirus relief bill passed at the end of 2020 as part of the Appropriations bill funding the federal government.
- Funding is included for key areas of coronavirus response and direct support for our constituents.
- Unlike the CARES Act, most of the funding will flow to the State or through grant programs with the exception of the Pandemic Emergency Rental Assistance funding. Clark County, and every other local jurisdiction over 200,000 residents, may apply for this direct funding through the U.S. Treasury.
- H.R. 133 also extended the deadline for expenditure of the CARES Act Coronavirus Relief Fund to December 31, 2021.

H.R. 133 Coronavirus Relief – Key Areas

Category	Description
FEMA/Emergency Management/Vaccines	 \$3.25 billion for Strategic National Stockpile. \$22.9 billion to HHS for vaccine purchases and countermeasures. \$19.7 billion for manufacturing and procurement of vaccines and therapeutics. \$8.75 billion to CDC, \$4.5 billion of which to states, tribal entities. No cost-share for FEMA funeral assistance benefit.
Testing/Contact Tracing	 \$22.4 billion for testing, tracing, and COVID mitigation programs. Of the total amount for testing, \$2.5 billion will be sent out as grants specifically targeted at needs in underserved areas, including both communities of color and rural communities. NV estimated allocation thus far: \$240 million.
Child Care (Basic Needs)	\$10 billion to emergency Child Care Development Block Grant.
Water Bill Assistance	\$638 million to HHS to carry out a new Low-Income Household Drinking Water and Wastewater Emergency Assistance Program providing grants to water utilities. Funding must be targeted to low- income households paying a high proportion of household income for drinking water and wastewater services.
Healthcare Providers*	 \$3 billion to reimburse health care providers for COVID health care expenses or lost revenue. Increase of 3.75% in Medicare Physician Fee Schedule.
