Greetings,

I moved to Las Vegas in 1991 with a duffel bag of clothes and a few bucks in my pocket. I rented an apartment on Fairfield before I knew about Naked City's bad reputation. Since then I have called apartments on Viking Dr., Karen Ave., Twain Blvd., Escondido St. and Paradise Rd. my home. It wasn't planned, but I have lived in, or on the border of, Senate District 10, since moving to Clark County almost 30 years ago.

In 1998 I was accepted into the apprenticeship program of Plumbers & Pipefitters Local 525, and in 2002 I was appointed their Political Action Committee Chairman. Since then, I have been a lobbyist at the Nevada State Legislature during seven sessions, working with the Nevada State AFL-CIO and the Nevada Building Trades Unions.

In 2018 I served as the director of public outreach on Senator Yvanna Cancela's campaign. The work gave me a deep understanding of the views and concerns of the citizens of the district.

I'm not a politician, and I don't have aspirations to become one with this appointment. Nevada is in the worst place it has ever been, which is significant given that we were battle born, and have played a crucial role in our nation's security during many wars. We need leaders that will study the issues and make the hard decisions. Decisions that may not be popular with anyone. A politician will be worried about their career, I will only be concerned with the people I am appointed to represent.

I hope that you will appoint me to complete the work that an amazing and inspirational representative began. Thank you for your time and attention, and I am available any time to address any questions or concerns you may have.

Sincerely,
Greg Esposito
