Dear Clark County Board of County Commissioners,

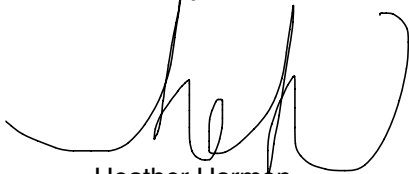

I write to you today expressing my deep interest in serving in the Nevada State Senate as the District 10 representative. As a fourth generation native Nevadan, nothing is more important to me than the future of our great state. Although I have not previously held office, politics has been a consistent thread throughout my personal and professional trajectory; in numerous projects I collaborated with elected officials to execute positive changes that increased accessibility to arts, education and culture.

My diverse and varied background includes many leadership roles and extensive experience in management, fundraising, project development, strategy, budgeting and diplomacy in multiple international venues as well as in several states. When working with the Lune Rouge Foundation in Ibiza, I implemented important programs for schools that served to supplement arts education. To accomplish this goal, I collaborated with Ibiza Mayor Rafael Ruiz to increase cultural awareness and San Josep Mayor Josep Marí Ribas to change longstanding policies related to outdoor sculpture in the public sphere.

An acute awareness of Las Vegas' global position, combined with a profound sensitivity to local needs, drives my every decision. As I watch the landscape of government change, I know that now is the time to offer a strong commitment to public service. My family legacy is one that is unyielding and prioritizes the needs of those who live and work here at the forefront. In the capacity of a Nevada State Senator, I will pledge to dedicate my life's work to the betterment of our city.

Thank you kindly for your time and attention.

Sincerely,

A handwritten signature in black ink, appearing to read 'Heather Harmon', with a large, sweeping flourish at the end.

Heather Harmon
