Expressed Interest in the Vacated NV State Senate District 10 Seat

Chairman/Chairwoman and members of the Commission,

My name is David Lopez, I am a proud democrat, a lifelong resident of Las Vegas in NV State Senate District 10, and I am writing you to express my interest in being appointed to serve the remainder of the unexpired term of former State Senator Yvanna Cancela.

I would like to express my fondness and care for the area in which I grew up in. As an alumni of UNLV, graduate of Valley High School, the first ever appointed Student Senator representing state senate district 10 for the Nevada Youth Legislature, a former public servant holding office as a Las Vegas Park Commissioner, and former city employee involved in education, my roots have been deeply entrenched in this district for nearly 30 years. I have had the privilege of working amongst not only the community, but also with the finest public officials in the city of Las Vegas for over 10 years. I have been truly proud of this community and all it has given me. I have a keen understanding of the needs of this district. I have always made it my mission to ensure that our constituent's concerns remain my top priority. Continued education awareness and support for our teachers have always been a calling of mine. Working together for the youth can win us a brighter future. I am proud of our diversity and the melting pot that our district is. With so much to learn from those around us. I have and will always ensure that the taxpayers and local businesses have my ear's attention to issues that may arise. I have always prided myself in being an asset not only to the great State of Nevada, but also to our community in which we all can find pride in.

I would be greatly honored to be at the very least considered to fill this vacated seat in my hometown district. I look forward in hearing back in the coming days and weeks to see your decision.

Sincerely, David Lopez

DAVID LOPEZ
