Clark County Board of Commissioners,

I want to thank you for the opportunity to serve my community. I am honored to be considered as the representative for Assembly District 42. If selected to serve, I vow to uphold the strong values of our community. I have been a resident of Las Vegas for 20 years and have spent the majority of my life in the district. I come from a working family that taught me the value of hard work and service. It would be an honor of a lifetime to serve all residents of this district, people who are my neighbors, friends, and supporters.

Education has always been at the foundation of my story. I earned two bachelor's degrees and a Master of Public Administration from the University of Nevada, Las Vegas (UNLV). As a result, I am a strong believer in the American Dream, which my parent's sought out when they came here from their homes in Mexico. The transition from education to politics was a natural one as Nevada's accessible higher education demonstrated that effective state policy can make a difference, as it did in my life and countless others.

I have worked in politics since 2012 and have been fortunate enough to be an alumnus of Mi Familia Vota, the Fuel Revenue Indexing voter initiative, Pete for America, and most recently the Biden Harris campaign. In my time away from politics I worked in education. First as a long-term substitute teacher at CCSD, an admission counselor at UNLV, and presently with Cristo Rey St. Viator as their Director of Development.

As a legislator and citizen, I want to be a champion for mental health, education, voter protection, and economic development, each of which represents a part of my academic or professional career. I want Nevada to be at the forefront of these issues, as we have with so many others. I want Nevada to become a leader in suicide prevention, a tragic blind spot in our society. I want to increase access to quality education for all students across this state just as COVID has exposed the inequalities that many young people face in their journey to earn an education. We must continue to facilitate the higher education pipeline in our state and ensure it is financially accessible to all our students. In addition, I want every Nevadan to have the ability to exercise their fundamental right to cast a ballot because I have seen firsthand the work it takes to prevent voter suppression in this state. I envision Nevada becoming the most attractive business destination worldwide, just as I have seen Nevada transform from a small rural western state to an innovative urban state with a strong economy.

Today, I ask for your support. Nevada is a special state with even more special residents and unlimited potential. It would be an honor to serve in the Nevada State Legislature representing Assembly District 42.

Sincerely,

A handwritten signature in black ink, appearing to read "Izack Tenorio". The signature is fluid and cursive, with the first name "Izack" being more prominent and the last name "Tenorio" following in a similar style.

Izack Tenorio
