Madame Chairwoman and Distinguished Members of the Commission,

My name is Tracy Brown-May and I am applying to be appointed as Assemblywoman for District 42.

I have lived in Assembly District 42 for the last 3 years and I love it here. I am friends and neighbors with many families in the District. This incredible and diverse community, located in the heart of Clark County, is home to some of Nevada's most renowned businesses, large and small, such as Ronald's Donuts, Nora's, and Chef Kenny's. The hundreds of businesses located in AD42, and the residents who visit them, help to drive our community's vibrancy.

I believe I have the right skills and experience to serve in the Nevada Assembly. For the last twenty years, I have dedicated my professional life to supporting at risk and marginalized populations in our community. I have participated in the legislative process and understand the hard work that goes into effectuating positive change. I have taken issues relevant to our community to our local leaders and our Federal leaders and have worked hand in hand to develop solutions. I am most proud of the times when common ground can be found to create positive solutions for the majority.

I helped found two non-profit organizations that are creating solutions and connections where people need it most – housing and vocational training. Throughout my life and career, I believe strongly in one principle: that we can each make a difference. Engaging people in self-advocacy has been my life's passion.

My husband and I share six children; three we raised together. Our youngest is preparing to graduate from Spring Valley High School in May. Together, we attend church, we volunteer, and we ride bikes. Recently, working through our County leaders, we successfully helped to restripe the bicycle lanes on Torrey Pines south of Desert Inn Rd., in the heart of Assembly District 42. I believe investing in our neighborhoods is important and worth the significant effort and time it takes to create effective policy while building relationships with our neighbors.

My family is vested in the community. Two of my children will attend UNLV in the fall. My daughter is currently attending CSN and is working on a degree in teaching. My son is looking

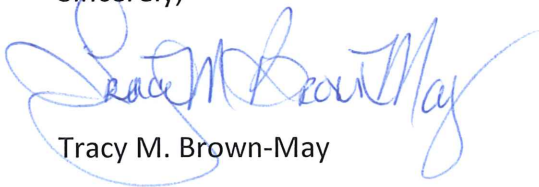

forward to a career in the military and is a proud participant of the JROTC Program at his high school. Our oldest graduated from UNR in 2019 with a degree in Journalism. I have spent the last 27 years in the Las Vegas Valley – this is my home.

As the representative for Assembly District 42, the topics important to me are the topics important to my neighbors. Education, healthcare, access to community services and supports, and recovery from this pandemic - fair wages, employment, and housing. The list of issues needing attention is long and requires dedicated problem solvers to find solutions.

As the Assembly District 42 representative in the Nevada Legislature, I will work hard to represent the interests of the residents in my district and I look forward to bringing their voice to Carson City.

I am a dedicated problem solver and promise to contribute to solutions for our State's issues. Thank you for considering me for this position.

Sincerely,
