STANDARDS FOR APPROVAL:

The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.

Analysis**Current Planning**

This request meets the tentative map requirements as outlined in Title 30. However, since staff does not support the design review portion of ZC-20-0574, staff cannot support this request.

Staff Recommendation

Denial.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, and/or the Nevada Revised Statutes.

PRELIMINARY STAFF CONDITIONS:

Current Planning

If approved:

- Applicant is advised that **the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application;** a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that a final map for all, or a portion, of the property included under this application must be recorded within 4 years or it will expire.

Public Works - Development Review

- Drainage study and compliance;
- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;
- Full off-site improvements;
- Right-of-way dedication to include 35 feet to the back of curb for Dean Martin Drive, 30 feet for Frias Avenue, 30 feet for Rush Avenue, 30 feet for Polaris Avenue with a portion of a knuckle at the intersection of Rush Avenue and Polaris Avenue, and associated spandrel.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Current Planning Division - Addressing

- Approved street name list from the Combined Fire Communications Center shall be provided;
- Streets shall have approved street names and suffixes.

Building Department - Fire Prevention

- No comment.

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been initiated for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0008-2020 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require a new POC analysis.
