RELATED INFORMATION:

**APN:**  
176-06-601-007

**LAND USE PLAN:**  
SPRING VALLEY - COMMERCIAL GENERAL

**BACKGROUND:**  
**Project Description**

The plans depict the vacation and abandonment of both government patent easements and a public drainage easement. More specifically, the plans show the vacation of patent easements located along the north and east boundaries of the subject parcel, 33 feet in width. The plans also show the vacation of a drainage easement located on a portion of the parcel's north half, which has varying width 60 feet and greater. The applicant indicates these easements are no longer necessary for the proposed development or surrounding area as private and public streets will be constructed to provide proper drainage and access to the development.

**STANDARDS FOR APPROVAL:**

The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.

**Analysis****Public Works - Development Review**

Staff has no objection to the vacation of easements that are not necessary for site, drainage, or roadway development.

**Staff Recommendation**

Approval. This item has been forwarded to the Board of County Commissioners' meeting for final action.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.

**PLANNING COMMISSION ACTION:** February 2, 2021 – APPROVED – Vote: Unanimous  
**Current Planning**

- Satisfy utility companies' requirements.
- Applicant is advised that a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that the recording of the order of vacation in

the Office of the County Recorder must be completed within 2 years of the approval date or the application will expire.

**Public Works - Development Review**

- Drainage study and compliance;
- Right-of-way dedication to include 35 feet to the back of curb for Grand Canyon Drive, 35 feet to the back of curb for Maule Avenue, and associated spandrel;
- If required by the Regional Transportation Commission (RTC), grant a bus shelter pad easement in accordance with RTC standards on the east side of Grand Canyon Drive, approximately 100 feet north of Maule Avenue;
- Vacation to be recordable prior to building permit issuance or applicable map submittal;
- Revise legal description, if necessary, prior to recording.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

**Building Department - Fire Prevention**

- Applicant is advised to submit plans for review and approval prior to installing any gates, speed humps (speed bumps not allowed), and any other fire apparatus access roadway obstructions.
