

PROPOSED LOCAL MITIGATION AND ENFORCEMENT PLAN

April 22, 2021

Overview:

The State of Nevada remains under an emergency as declared by the Governor. This declaration allows the state and its partners to respond to the global pandemic, as well as to seek federal resources and reimbursement for actions taken to protect the health of the residents and visitors of our state. This statewide emergency will remain in place for the foreseeable future, which will allow state and local partners to collaborate in addressing the challenges presented by this pandemic.

On February 14, 2021, Governor Sisolak unveiled [Nevada's Roadmap to Recovery](#), which provides his plan to reduce current statewide COVID-19 mitigation measures and transition certain mitigation measures to local authority. Per the Governor's [Emergency Directive 037](#) and Directive 041, this will occur in a phased approach, with transition to local authority happening on May 1, 2021 at the earliest.

The State will continue to be responsible for maintaining essential baseline mitigation measures that will remain in place. Even after May 1, 2021, the following baseline mitigation measures will remain in place and will continue to be enforced by the State:

- Statewide mask requirement as outlined in Directive 024.
- Social distancing and hygiene considerations as outlined in Directive 021.
- School reopening and operational requirements as outlined in Directives 022, 028, and 038.
- Crisis Standards of Care as outlined in Directive 011.
- Additionally, industries regulated by the state, whether through professional licensing boards covered in Title 54 of the Nevada Revised Statutes, through state agencies, or through independent regulatory bodies such as the Gaming Control Board, will continue to follow the statewide baseline standards for COVID-19 mitigation measures and any mitigation measures promulgated by their respective regulatory bodies.

The Governor's intent for this delegation of authority to remain in place throughout the remainder of the emergency declaration, factors such as increased viral spread, the unknown nature of various variants, and otherwise could result in increased baseline mitigation measures, or the State resuming control of some or all mitigation measures.

County governments will continue to respond to the public health crisis and continue to execute vaccination efforts. In order to assume delegation of authority regarding specific local mitigation, Clark County has developed a Local Mitigation and Enforcement Plan that aligns with the template provided by the State and meets the requirements as outlined the Nevada's Roadmap to Recovery Transition Plan.

Clark County is proposing that ALL PROPOSED LOCAL MEASURES" changes are effective on **MAY 1, 2021**.

KEY CONSIDERATIONS FOR PLANNING

Below are key considerations for planning, including the current status of statewide mitigation measures by category for reference.

PUBLIC GATHERINGS & EVENTS

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	<p>Limited to no more than 250 individuals or 50 percent of fire code capacity, whichever is less, under strict social distancing requirements.</p> <p>---</p> <p>UPDATE PER DIRECTIVE 041 effective March 15, 2021:</p> <p>If a gathering space or venue wants to host more than 250 individuals for an event, (live entertainment show, convention, trade show, etc) it may have up to 50 percent of fire code capacity, so long as a Large Gathering Plan Certification Form is submitted and approved.</p>	<p>NOT APPLICABLE PRIOR TO LOCAL AUTHORITY TRANSITION PLAN SUBMITTAL</p>
LARGE GATHERING PLANS	<p>Large Gathering Plans Submitted PRIOR to May 1 for:</p> <ul style="list-style-type: none"> • Events taking place prior to May 1: Large Gathering Plan Certification Forms may be submitted to the Nevada Department of Business & Industry (B&I) who will work in consultation with state public health officials and other applicable state agencies to review and potentially approve gatherings above 250 individuals, up to 50 percent. • Events taking place May 1 – June 30 (after potential transition to Local Authority): Large Gathering Plan Certification Forms may be submitted through April 30 (or through whenever authority transitions to a county) to the Nevada Department of Business & Industry (B&I) who will work in consultation with state public health officials and other applicable state agencies to review and potentially approve gatherings above 250 individuals, up to 50 percent capacity. <p>Applications Submitted after Transition to Local Authority: Large Gathering approval process will be determined by county authorities in accordance with its Local Mitigation and Enforcement Plan.</p>	<p>NOT APPLICABLE PRIOR TO LOCAL AUTHORITY TRANSITION PLAN SUBMITTAL</p> <p>NOT APPLICABLE PRIOR TO LOCAL AUTHORITY TRANSITION PLAN SUBMITTAL</p> <p>REFER TO THE ATTACHED LARGE GATHERING PLAN</p>

PRIVATE GATHERINGS & EVENTS

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	<p>Private social gatherings are restricted to 10 people indoors and 25 people outdoors.</p> <p><i>NOTE: If a Governor's Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor's Directive</i></p>	<p>Unless a Governor's Directive is less restrictive, private social gatherings of are restricted based on CDC Guidance:</p> <p>https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html</p>

FOOD & BEVERAGE ESTABLISHMENTS:

Restaurants & Bars, Pubs, Wineries, Distilleries, and Breweries (those that serve food and those that do not). This includes all restaurants and bars within gaming properties.

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	<p>May allow indoor dining at no more than 50% occupancy based on applicable fire code, under strict social distancing requirements.</p> <p>No occupancy limits for outdoor dining**, as long as all social distancing requirements are followed.</p>	<p>Unless a Governor's Directive is less restrictive, capacity requirements for indoor dining may operate at no more than 50% occupancy based on applicable fire code, under strict social distancing requirements.</p> <p>No occupancy limits for outdoor dining, as long as all social distancing requirements (if applicable) are followed.</p>
RESERVATIONS	Reservations NOT REQUIRED	Reservations NOT REQUIRED

<p>SEATING</p>	<p>No more than 6 patrons per table with social distancing requirements</p>	<p>Unless a Governor’s Directive is less restrictive, seating capacity of patrons may be increased to no more than 10 patrons per table with social distancing requirements.</p>
<p>BAR SEATING</p>	<p>Patrons sitting at a table or booth must only be served via table service.</p> <p>Patrons may be served at bar tops if spaced 6ft apart and bar top parties should be limited to no more than 2 persons.</p>	<p>Unless a Governor’s Directive is less restrictive, patrons sitting at a table or booth must only be served via table service.</p> <p>Unless a Governor’s Directive is less restrictive, patrons may be served at bar tops under strict social distancing requirements (if applicable), and bar top parties should be limited to no more than 2 persons.</p>
<p>SELF SERVICE BUFFETS (Section added by Clark County)</p>	<p>Buffets will remain prohibited</p>	<p>Unless a Governor’s Directive is less restrictive, food may be presented in a buffet style self-service if:</p> <ul style="list-style-type: none"> • Each station is supervised by an employee • Hand sanitizer is offered to the patrons prior to obtaining tableware • Service utensils are changed out every hour

<p>ADDITIONAL MEASURES</p>	<p>Strongly encouraged to continue curbside, delivery, and/or carry out operations. Restaurants and bars are encouraged to try to expand outdoor seating options, and local governments are encouraged to work with these businesses to meet this goal.</p>	<p>Unless a Governor’s Directive is less restrictive, strongly encouraged to continue curbside, delivery, and/or carry out operations. Restaurants and bars are encouraged to try to expand outdoor seating options, and local governments are encouraged to work with these businesses to meet this goal.</p>
	<p>Restaurants and bars should continue to have hand sanitizer available and should be conducting health screenings and/or temperature checks.</p>	<p>Unless a Governor’s Directive is less restrictive, restaurants and bars should continue to have hand sanitizer available and should be conducting health screenings and/or temperature checks.</p>
	<p>Congregating Areas – Prohibited (Section added by Clark County)</p>	<p>Unless a Governor’s Directive is less restrictive, congregating areas can open for pool tables and other arcade games must be operated with limitations specified in “Arcades, Racetracks, Bowling Alleys” and other similar venues.</p>
	<p>Food Table Preparation – Prohibited (Section added by Clark County)</p>	<p>Unless a Governor’s Directive is less restrictive, preparing food table side can occur if the patrons do not consume food at time of preparation and all are wearing adequate face coverings.</p> <p>For additional guidance from SNHD see “Food Establishment Guidance” at: www.snhd.info/reopen</p>

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

**Outdoor dining means dining in an area that is not enclosed or surrounded by a roof and rigid wall structures or non-rigid materials, such as fabric or vinyl. For example, a tent with walls is considered “indoors” because it restricts natural air flow and ventilation. Areas covered by a structure without walls, such as an overhead canopy, sun shade, or awning, are considered “outdoors.”

PLACES OF WORSHIP:

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code.	REFER TO NEVADA COVID-19 SAFETY GUIDANCE FOR PLACES OF WORSHIP
ADDITIONAL MEASURES	CLICK HERE FOR NEVADA COVID-19 SAFETY GUIDANCE FOR PLACES OF WORSHIP	REFER TO NEVADA COVID-19 SAFETY GUIDANCE FOR PLACES OF WORSHIP

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

GYMS, FITNESS/DANCE/YOGA STUDIOS, MARTIAL ARTS STUDIOS & SIMILAR ESTABLISHMENTS:

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code.	Unless a Governor’s Directive is less restrictive, capacity requirements may be no more than 50% occupancy based on applicable fire code, under strict social distancing requirements.

<p>GYM/STUDIO LOCKER ROOMS**</p>	<p>Locker rooms may be open but MUST be limited to 50 percent capacity. Single stall showers may be utilized.</p> <p>Community showers, saunas, vapor baths, salt therapy rooms, hot tubs, spas and other communal areas remain prohibited.</p>	<p>Unless a Governor’s Directive is less restrictive, locker rooms capacity limitations may be no more than 50% occupancy based on applicable fire code, under strict social distancing requirements.</p> <p>Single stall showers may be utilized.</p> <p>Unless a Governor’s Directive is less restrictive, community showers, saunas, vapor baths, salt therapy rooms, and other communal areas remain prohibited.</p> <p>Hot tubs and spas may open and must be operated under Pools and Hot Tubs Guidance described below.</p>
<p>ADDITIONAL MEASURES</p>	<p>Equipment MUST be moved or designated inoperable to ensure a minimum of six feet of social distancing between users.</p>	<p>Unless a Governor’s Directive is less restrictive, equipment MAY be moved or designated inoperable under strict social distancing requirements, to ensure social distancing between users.</p> <p>Equipment that is not moved or designated inoperable, may be used with the following conditions:</p> <ol style="list-style-type: none"> 1. The number of occupants is limited to the number of individuals that can maintain adequate social distancing. 2. Staff and/or supplies are present so that high touch surfaces can be adequately disinfected after each use. 3. The facility should increase ventilation to the maximum extent possible to ensure outside air is cycled through the space. 4. Routine cleaning and disinfection of equipment

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

POOLS AND HOT TUBS:

(This category added by Clark County)

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code.	Unless a Governor’s Directive is less restrictive, pools, spas and hot tubs may operate at no more than 50% occupancy based on applicable fire code, under strict social distancing requirements.
POOL LOCKER ROOMS AND BATH-HOUSES	Locker rooms may be open but MUST be limited to 50 percent capacity . Single stall showers may be utilized. Community showers, saunas, vapor baths, salt therapy rooms, hot tubs, spas and other communal areas remain prohibited.	Unless a Governor’s Directive is less restrictive, locker rooms and bath-houses may be open at no more than 50% occupancy based on applicable fire code, under strict social distancing requirements. Single stall showers may be utilized. Unless a Governor’s Directive is less restrictive, community showers, saunas, and other communal areas remain prohibited. Hot tubs and spas may open and must be operated under Pools and Hot Tubs Guidance described below.

ADDITIONAL MEASURES	
	<p>Unless a Governor’s Directive is less restrictive, face coverings must be worn when not swimming in the pool or hot tub</p> <p>Unless a Governor’s Directive is less restrictive, water parks shall control access to the public to ensure that occupancy does not exceed 50% capacity based on applicable fire code, under strict social distancing requirements.</p> <p>Unless a Governor’s Directive is less restrictive, water parks shall limit locker room access to restroom usage only.</p> <p>Unless a Governor’s Directive is less restrictive, all employees must wear face coverings to the maximum extent practicable.</p> <p>Unless a Governor’s Directive is less restrictive, food sold at concessions at water parks must be consumed in a designated area under strict social distancing requirements.</p> <p>Unless a Governor’s Directive is less restrictive, surfaces are cleaned and disinfected by employees after a party leaves after consuming the food.</p>

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

GAMING FLOORS:

Capacity and mitigation measures for gaming areas will **NOT** transition to local control after May 1 and **will remain under the authority of the Nevada Gaming Control Board**. Uniform, statewide mitigation measures will continue to apply to gaming areas.

After May 1, other businesses located within a gaming property will be subject to the applicable county’s capacity and other mitigation measures applicable to that type of business, per the approved Local Mitigation and Enforcement Plan. For example, a retail clothing store located within a gaming property shall follow the mitigation measures for retail stores that are set forth in the county’s plan.

ARCADES, RACETRACKS, BOWLING ALLEYS, MINI GOLF, POOL HALLS, AMUSEMENT & THEME PARKS, and SIMILAR ACTIVITIES:

These venues have many high-touch surfaces and are common venues for group gatherings, or gatherings that would promote food/drink consumption or other activities that would require mask removal. A responsible and staggered approach is strongly recommended by public health officials.

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code.	Unless a Governor’s Directive is less restrictive, capacity requirements may be no more than 50% occupancy based on applicable fire code, under strict social distancing requirements.
ADDITIONAL MEASURES	High-touch surfaces should be avoided (remain closed if applicable/possible) and cleaned frequently. Food and drink should be contained to areas designated as restaurants/food courts and should adhere to requirements in place for those types of establishments.	Unless a Governor’s Directive is less restrictive, high-touch surfaces should be avoided and cleaned frequently. Unless a Governor’s Directive is less restrictive, food and drink should be contained to areas designated as restaurants/food courts and should adhere to requirements in place for those types of establishments.

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

LIBRARIES, MUSEUMS, ART GALLERIES, AQUARIUMS & ZOOS:

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code.	Unless a Governor’s Directive is less restrictive, capacity requirements may be no more than 50% occupancy based on applicable fire code, under strict social distancing requirements.
ADDITIONAL MEASURES	<p>All interactive and/or hands-on exhibits must be closed. High-touch surfaces should be avoided and cleaned frequently.</p> <p>Food and drink should be contained to areas designated as restaurants/food courts and should adhere to requirements in place for those types of establishments.</p>	<p>Unless a Governor’s Directive is less restrictive, all interactive and/or hands-on exhibits must be closed. High-touch surfaces should be avoided and cleaned frequently.</p> <p>Unless a Governor’s Directive is less restrictive, food and drink should be contained to areas designated as restaurants/food courts and should adhere to requirements in place for those types of establishments.</p>

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

BODY ART & PIERCING ESTABLISHMENTS:

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements per existing Directives.	Unless a Governor’s Directive is less restrictive, may operate under strict social distancing requirements per existing Directives.
APPOINTMENTS	Services shall be provided by appointment only , and customers waiting for an appointment must wait outside and practice social distancing.	Unless a Governor’s Directive is less restrictive, services shall be provided by appointment only.

<p>ADDITIONAL MEASURES</p>	<p>No body art or piercing may be done around the nose or mouth.</p> <p>Establishments with walls/partitions between stations or chairs may utilize all stations, but no more than 1 customer can be at a station at any given time.</p> <p>Establishments without walls/partitions between stations/chairs may only seat clients every other station or chair, or arrange stations or chairs to a min of 6ft apart.</p>	<p>Unless a Governor’s Directive is less restrictive, piercing is permitted around nose and mouth, the employee is required to wear a face mask and face shield while working around or in the mouth and nose.</p> <p>Unless a Governor’s Directive is less restrictive, establishments with walls/partitions between stations or chairs may utilize all stations, but no more than 1 customer can be at a station at any given time.</p> <p>Establishments without walls/partitions between stations/chairs may only seat clients under strict social distancing requirements (if applicable).</p>
-----------------------------------	--	---

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

SPAS, MASSAGE THERAPY & MASSAGE ESTABLISHMENTS:

Industries regulated by professional licensing boards covered in Title 54 of the Nevada Revised Statutes will continue to follow the statewide baseline standards for COVID-19 mitigation measures and any mitigation measures promulgated by their respective regulatory bodies, in addition to local measures.

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements per existing Directives and protocols established by the Nevada State Board of Cosmetology and Nevada State Board of Massage Therapy .	Unless a Governor’s Directive is less restrictive, may operate under strict social distancing requirements per existing Directives and protocols established by the Nevada State Board of Cosmetology and Nevada State Board of Massage Therapy .
APPOINTMENTS	Services shall be provided by appointment only , and customers waiting for an appointment must wait outside and practice social distancing.	Unless a Governor’s Directive is less restrictive, services shall be provided by appointment only.
ADDITIONAL MEASURES	<p>Out-call and/or in-home service may be provided with observation of same protocols as in the establishments.</p> <p>Establishments, including day and overnight spas, that may operate for aesthetic and massage services must prohibit the use of steam rooms, saunas, portable saunas, vapor baths, salt therapy rooms, hot tubs, and any other communal facilities.</p>	<p>Unless a Governor’s Directive is less restrictive, out-call and/or in-home service may be provided with observation of same protocols as in the establishments.</p> <p>Unless a Governor’s Directive is less restrictive, establishments, including day and overnight spas, that may operate for aesthetic and massage services must prohibit the use of steam rooms, saunas, portable saunas, vapor baths, salt therapy rooms, and any other communal facilities.</p> <p>Unless a Governor’s Directive is less restrictive, hot tubs and spas may open and must be operated under Pools and Hot Tubs Guidance described above.</p>

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

HAIR SALONS, BARBERSHOPS, NAIL SALONS & BUSINESSES THAT PROVIDE AESTHETIC SKIN SERVICES:

Industries regulated by professional licensing boards covered in Title 54 of the Nevada Revised Statutes will continue to follow the statewide baseline standards for COVID-19 mitigation measures and any mitigation measures promulgated by their respective regulatory bodies, in addition to local measures.

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements per existing Directives and protocols established by the Nevada State Board of Cosmetology and Nevada Barbers’ Health and Sanitation Board, as applicable.	Unless a Governor’s Directive is less restrictive, may operate under strict social distancing requirements per existing Directives and protocols established by the Nevada State Board of Cosmetology and Nevada Barbers’ Health and Sanitation Board, as applicable.
APPOINTMENTS	Services shall be provided by appointment only , and customers waiting for an appointment must wait outside and practice social distancing.	Unless a Governor’s Directive is less restrictive, services shall be provided by appointment only.
ADDITIONAL MEASURES	Out-call and/or in-home service may be provided with observation of same protocols as in the establishments. Salons & barber shops with walls/partitions between stations or chairs may utilize all stations, but no more than 1 customer can be at a station at any given time. Salons and barber shops without walls/partitions between stations/chairs may only seat clients every other station or chair, or arrange stations or chairs to a min of 6ft apart.	Unless a Governor’s Directive is less restrictive, out-call and/or in-home service may be provided with observation of same protocols as in the establishments. Salons & barber shops with walls/partitions between stations or chairs may utilize all stations, but no more than 1 customer can be at a station at any given time. Salons and barber shops without walls/partitions between stations/chairs may only seat clients under strict social distancing requirements (if applicable).

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

RETAIL STORES:

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code.	Unless a Governor’s Directive is less restrictive, may operate at no more than 50% under strict social distancing requirements per existing Directives.
RETAIL & GROCERY STORES W/OVER 50,000 sq. ft. capacity	<p>MUST have "counters" at all public entrances to manage capacity.</p> <p>MUST have health screening signage at public entrances.</p> <p>Encouraged to conduct temperature screenings before entry.</p>	<p>Unless a Governor’s Directive is less restrictive, MUST have "counters" at all public entrances to manage capacity.</p> <p>Unless a Governor’s Directive is less restrictive, MUST have health screening signage at public entrances.</p> <p>Encouraged to conduct temperature screenings before entry.</p>
SELF-SERVE FOOD/BEVERAGE OPTIONS	Retail stores, including grocery stores, may offer limited self-service food and drinks with mitigation measures in place.**	<p>Unless a Governor’s Directive is less restrictive, retail stores, including grocery stores, may offer limited self-service food and drinks with mitigation measures in place.</p> <p>Salad bars, salsa bars, olive bars, condiment stations and bulk food bins can take place if:</p> <ul style="list-style-type: none"> • Each station is supervised by an employee. • Hand sanitizer is offered to the patrons prior to obtaining tableware. • Service utensils are changed out every hour. • Patrons and employees practice adequate social distancing.
SAMPLING (Section added by Clark County)	Prohibited	Unless a Governor’s Directive is less restrictive, food sampling at grocery stores and farmer’s markets can resume if face coverings are replaced as soon as sample is consumed.

ADDITIONAL MEASURES	Strongly encouraged to promote and continue online or call-in ordering, curbside, delivery, and/or carry out operations.	Strongly encouraged to promote and continue online or call-in ordering, curbside, delivery, and/or carry out operations.
----------------------------	--	--

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

***These locations can allow for social distancing by strictly limiting the number of customers at one time. Recommended mitigation practices include, but are not limited to: limiting number of individuals using food and drink stations at one time; using individual or disposable utensils and serving ware wherever possible; and providing hand sanitizer and recommending usage before touching any communal surfaces.*

CANNABIS - Medicinal & Recreational Establishments:

After May 1, Medicinal and Recreational Marijuana Establishments will still remain under the authority and regulatory control of the Nevada Cannabis Compliance Board (CCB). However, capacity and mitigation measures for Medicinal and Recreational Marijuana establishments will fall under the category of “Retail Stores” within each county

- For example, if a county decides to set a capacity limit of 50 percent for retail stores in its Local Mitigation and Enforcement Plan, marijuana establishments will also be at 50 percent capacity.

INDOOR MALLS:

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code -- including no more than 50% capacity within each individual retail store , which must comply with all retail business restrictions.	Unless a Governor’s Directive is less restrictive, may operate under strict social distancing requirements and at no more than 50% occupancy based on applicable fire code.
ADDITIONAL MEASURES	Strongly encouraged to promote and continue online or call-in ordering, curbside, delivery, and/or carry out operations.	Strongly encouraged to promote and continue online or call-in ordering, curbside, delivery, and/or carry out operations.

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

COMMUNITY & RECREATIONAL CENTERS:

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
CAPACITY	May operate under strict social distancing requirements at no more than 50% occupancy based on applicable fire code.	Unless a Governor’s Directive is less restrictive, may operate under strict social distancing requirements and at no more than 50% occupancy based on applicable fire code.

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

YOUTH AND ADULT RECREATIONAL SPORTS:

Current state guidance does NOT govern professional sports leagues or college division level sports. The NIAA retains authority over when high school sports will resume and the guidelines under which competition will resume, consistent with Section 7 of Directive 028 and Sections 5 and 7 of Directive 034.

	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
TOURNAMENTS	<p>Tournaments for permissible sports (pursuant to Directive 034) allowed to resume no earlier than March 15.</p> <p>Tournaments must be approved by applicable State authorities prior to competitions through submission of a Preparedness & Safety Plan.</p>	<p>Unless a Governor’s Directive is less restrictive, a plan will need to be approved by the Clark County Recovery Enforcement Workgroup. The plan can be submitted to: CCROEnforcementWorkgroup@ClarkCounty.NV.gov</p> <p>Unless a Governor’s Directive is less restrictive, baseline requirements include:</p> <ul style="list-style-type: none"> -Plan to ensure face coverings are always worn -Plan for testing & screening -Plan for if someone displays symptoms or tests positive -Plan for contact tracing -Plan to ensure capacity limitations (if applicable) -Plan to manage the flow of people to avoid congestion and crowding -Plan to ensure social distancing (if applicable) -Plan to avoid shared equipment & commonly touched surfaces -Plan for cleaning & disinfection -Plan for signage: face coverings, distancing, hygiene, etc.

<p>ADDITIONAL MEASURES</p>	<p>Amount of spectators allowed at a tournaments will be dictated by the applicable Directives on gathering sizes and must be outlined in the tournament’s approved Preparedness</p>	<p>Unless a Governor’s Directive is less restrictive, the number of spectators is limited to 250 individuals or 50% occupancy.</p>
<p>CONTACT LEVEL</p>	<p>PROHIBITED (unless regulated by NIAA)</p> <ul style="list-style-type: none"> • Full-Contact Sports including football, rugby, wrestling, ice hockey, basketball, etc. <p>---</p> <p>ALLOWED:</p> <ul style="list-style-type: none"> • Minimal-Contact Sports including baseball, softball, soccer, volleyball, lacrosse, etc. • Non-Contact Sports including golf, tennis, running, track and field, skiing/snowboarding, gymnastics, etc. 	<p>Unless a Governor’s Directive is less restrictive:</p> <ul style="list-style-type: none"> • FULL CONTACT SPORTS: As of March 30, 2021, full-contact sports may resume for practice and competitions subject to the requirements set forth in Directive 034, including the requirement to adopt a Preparedness and Safety Plan as set forth in Section 11 for all organized leagues and associations beginning competition, games, matches, or league play. • NON-CONTACT & MINIMAL CONTACT SPORTS: Minimal contact and non-contact sports are allowed to hold practices, games, competitions and tournaments, indoors and outdoors, if social distancing (if applicable) and all requirements can be met.

NOTE: If a Governor’s Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor’s Directive

Guidance for Local Planning: For reference, previous State Directives related to youth and adult recreational sports did not apply to sporting events regulated by professional sports leagues, the Nevada State Athletic Commission (NSAC), or the National Collegiate Athletic Association (NCAA). With respect to high school sports, the Nevada Interscholastic Activities Association (NIAA) always retained authority over schedules and the guidelines under which competition could take place.

State Emergency Directives classify which sports are full-, minimal-, and non-contact with corresponding restrictions applied to those classifications. The transition to local authority will allow each county to revisit the classifications and rules for the different types of sports. ****SEE: [“Nevada Guidance for Adult & Youth Sports”](#) for all current mitigation measures*

ESTABLISHMENTS CURRENTLY CLOSED THAT MAY TRANSITION TO LOCAL AUTHORITY:

ADULT ENTERTAINMENT ESTABLISHMENTS	CURRENT STATEWIDE STANDARDS	PROPOSED LOCAL MEASURES
	<p style="text-align: center;">CLOSED</p> <p><i>NOTE: If a Governor's Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor's</i></p>	<p>Effective May 1, 2021</p> <p>Unless a Governor's Directive is less restrictive, may operate under strict social distancing requirements and at no more than 50% occupancy based on applicable fire code.</p> <p>Unless a Governor's Directive is less restrictive:</p> <ul style="list-style-type: none"> • All employers must always provide face coverings for employees and require employees to wear face coverings. • The business requires the mandated face coverings for all patrons when not actively eating, drinking, or smoking. • The business promotes frequent and thorough hand washing, including providing workers, customers, and worksite visitors with a place to wash their hands. • The employer maintains regular housekeeping practices, including routine cleaning and disinfecting of surfaces and equipment with EPA approved cleaning chemicals from List N. • Conducts daily surveys of staff health conditions. • Provides adult/topless activity. • Live entertainment distance between entertainers wearing masks and customers is as previously described in this document and 12ft if not masked (only if entertainment is actively singing or playing wind instrument that requires intermittent removal of mask). • Must maintain the required social distancing

<p>NIGHTCLUBS & DAYCLUBS</p>	<p>CLOSED</p> <p><i>NOTE: If a Governor's Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor's Directive</i></p>	<p>Effective May 1, 2021</p> <p>Unless a Governor's Directive is less restrictive, may operate under strict social distancing requirements and at no more than 50% occupancy based on applicable fire code.</p> <p>Unless a Governor's Directive is less restrictive:</p> <ul style="list-style-type: none"> •All employers must always provide face coverings for employees and require employees to wear face coverings. •The business requires the mandated face coverings for all patrons when not actively eating, drinking, or smoking •The business promotes frequent and thorough hand washing, including providing workers, customers, and worksite visitors with a place to wash their hands. •The employer maintains regular housekeeping practices, including routine cleaning and disinfecting of surfaces and equipment with EPA approved cleaning chemicals from List N. •Conducts daily surveys of staff health conditions. •Must maintain the required social distancing (if applicable). •Dance floors are prohibited if social distancing requirements are applicable.

<p>KARAOKE</p>	<p>UPDATED: GOVERNOR'S GUIDANCE TO REOPEN APRIL 8, 2021</p> <p><i>NOTE: If a Governor's Directive, is less restrictive than the proposed local measures, Clark County will follow the less restrictive Governor's Directive</i></p>	<p>Unless a Governor's Directive is less restrictive, may operate under strict social distancing requirements and at no more than 50% occupancy based on applicable fire code.</p> <p>Refer to Guidance for Safe Karaoke and Open Microphone Events issued by the Governor's Office on April 8, 2021</p>
-----------------------	--	--

Large Gathering Venue COVID-19 Preparedness & Safety Plan Checklist

Large gatherings are groups of more than 250 individuals gathering outside in the same general area or indoors within the same room, arena, theater or other such venue.

1. Large Gatherings can be approved 120 days out if there are less than 1,250 reported cases per week and the 14-day average percent positivity is less than 6%. If conditions worsen between the time the event was submitted to 60 days prior to the event, the Health District may require additional mitigation measures in an effort to control further deterioration of COVID-19 conditions in the community.
 - a. the venue is outdoors or if indoors the area is well ventilated. Well ventilated areas are those areas that have ventilation that meet or exceed the guidance published by ASHRAE Core Recommendations for Reducing Airborne Infectious Aerosol Exposure (<https://www.ashrae.org/technical-resources/resources>)
 - b. six feet social distancing will be practiced
 - c. no tracking of attendee vaccinations status or COVID testing is necessary.
 - d. venues could create an area set aside for attendees who are completely vaccinated (14 days after a single dose vaccine such as Johnson & Johnson’s Janssen vaccine or 14 days after the second dose of a two dose vaccine such as the Moderna or Pfizer vaccine) or have evidence of a negative PCR test 24 to 48 hours prior to event. Three feet social distancing can be practiced in this area, with a maximum number of attendees consistent with SHND set limits at the time of request.
2. Large Gatherings can be approved 180 days out if
 - a. the venue is outdoors or if indoors the area is well ventilated
 - b. the community is at a test positivity rate of ≤5% fourteen-day average,
 - c. the community testing is occurring more than 2,380 tests per week.
 - d. the rate of disease within the community is below 1,150 cases per week and
 - e. At least 50% of the community has completed vaccination for COVID-19 as defined on 1.d.
3. Social distancing at large gatherings is decreased to 3 feet social distancing and capacity can increase to more than 80% fire code occupancy but to a total floor area of no less than 36 square feet per person to promote social distancing if:
 - a. all attendees have either completed their vaccination for COVID19 or are tested using a PCR test 24-48 hours prior to the event and have evidence of a negative test result.
 - b. the venue is outdoors or if indoors the area is well ventilated.
 - c. the community is at a test positivity rate of ≤5% fourteen-day average,
 - d. the community testing is occurring more than 2,380 tests per week.
 - e. the rate of disease within the community is below 1,250 cases per week and
 - f. 50% of the community has completed vaccination for COVID-19

4. All concerts (such as live music or DJ entertainment), sporting events (such as professional hockey, baseball, football, auto racing etc.) or other such events will have assigned seating. Standing room only or general admission ticket sales for these events will be prohibited at this time until the CDC or the WHO changes their social distancing requirements to less than 3 feet or publishes guidance on how these types of events can be done safely. Fairs, conventions and other similar gatherings can have general admission. Plans for events with general admission that are outdoors and greater than 20,000 attendees can be submitted for review by SNHD on a case by case basis, but may not be recommended to occur because of the current or projected conditions within the community.
 - a. Definitions;
 - i. Standing room only tickets are tickets sold without a designated seat.
 - ii. General admission are tickets sold with a designated seat that is not assigned.
5. At the conclusion of the event, the event organizer will inform all attendees that the Health District recommends that attendees be tested for COVID-19 at least five days after returning home.
6. The Health District may require the event organizer to notify all attendees if any outbreaks or cases are identified among event participants or others associated with the event.
7. There is an understanding that if conditions deteriorate to more than 2,000 new cases reported per week or fourteen day average test positivity of greater than 6%, limitations on gatherings may be put in place that include a more stringent social distancing, other measures and limitations as appropriate.
8. 100% capacity can occur if 60% of the community is vaccinated and both the 14 day average test positivity remains at 5% or below and running weekly cases is below 1,150 cases

Metric	Can practice 3 feet social distancing*:	Large gatherings can be approved 120 days out if:	Large gatherings can be approved 180 if:	Restrictions may need to be put in place to decrease spread if:	100% capacity
Number of cases per week	<1,250	<1,250 and	<1,150 and	>2,000 or	<1,150
Test positivity	≤5% and	≤6%	≤5%	>6%	≤5%
# of tests per week	>2,380	>2,380	>2,380	N/A	>2,380
% of Clark County that has completed vaccinations	≥50%	N/A	≥50%	N/A	≥60%

*Six feet social distancing must be practiced at large gatherings unless the large gathering meets the requirements of 3. above.

Instructions:

A COVID-19 Preparedness & Safety Plan is required for large gatherings at:

- Events with 2,500 Fixed Seating Capacity or More that want to host an event or gathering for more than 250 people. These venues are capped at 10% of the venue’s total seated capacity.
- Trade Shows, Conferences, Conventions, Professional Seminars & Large Business Meetings in excess of 250 people, which are capped at a total of 1,000 total attendees and/or registrants.

This checklist will help event sponsors prepare for a successful event and draft an event-specific operational plan. This checklist is not intended to fully inform you of every provision regarding COVID-19 prevention and mitigation. Knowing those is your responsibility. The plan and any supporting documents must fully address all elements on the list. Failure to address all items may result in your event being delayed, disapproved or closed.

General Event & Venue information:

- Event Coordinator name(s) & contact information, including how they can be reached during the event.
- Event name, location & specific hours of operation (including set up and tear down)
- If your venue has been closed for an extended period of time, have you followed the reopening guidelines to prevent the transmission of non-COVID illnesses such as Legionnaire’s Disease?
- How does your plan address rules and guidance specific to your venue/industry?

Venue Capacity & Map

- Size of the venue in square feet and regular occupancy level
- Total number of attendees over the course of the event and maximum number of attendees at any one time
- Discuss how compliance with the maximum number of attendees will be achieved. For example, will attendees be together in one group, will there be separate sections, will you use pods, will people cycle in and out of the event?
- Discuss how the planned number of attendees will be enforced.
- Provide a map and/or plot plan of the venue that shows the following:

<input type="checkbox"/> Location of booths and/or stages	<input type="checkbox"/> Traffic flow through event	<input type="checkbox"/> Food service locations
<input type="checkbox"/> Toilet facilities	<input type="checkbox"/> Screening station(s)	<input type="checkbox"/> Distinct locations within venue with separate capacities
<input type="checkbox"/> Handwashing/sanitizing stations	<input type="checkbox"/> Isolation area	

Sanitation Schedule:

- What disinfectants from the [EPA "N" List](#) are you using?
- What is the required contact time for the chosen product and how will you ensure this is met?
- Who will be responsible for disinfecting each area identified including restrooms, concession stands, high-touch items such as door handles, shared equipment, etc.?
- How frequently will you disinfect various surfaces/items?
- Where will hand sanitizer be placed, how often will it be checked for restocking and who will be responsible for restocking?

Use of Face Coverings and Personal Protective Equipment (PPE):

- Discuss how the event will comply with the face covering requirement for attendees, vendors and performers.
- What signage will you have in place informing attendees, vendors and performers of the face covering requirements?
- How will you enforce proper wearing of face coverings?
- What PPE will staff use for disinfecting?
- Do you have sufficient face coverings and PPE to distribute to staff?

Registration/Check-in:

- Describe the registration and check-in system you will use to avoid crowding at the entry point. If this cannot be accomplished online, provide a process that is deemed as least as effective.
- Identify the communication protocols with all attendees prior to arrival, upon arrival, and throughout the event.

Social Distancing:

How will you ensure staff, attendees, vendors, and performers to remain at least 6 ft apart within the venue by indicating on the map or plot plan how these items will be addressed

- Traffic arrows or guides
- Queuing within venue
- Sections within venue
- Pods within sections

And describe how you will use the following to ensure social distancing is maintained:

- Barriers at vendor booths
- Scheduled entry
- Posters (provide poster examples)
- Restroom access and use within pods
- PA reminders (provide messaging examples)

- How will you space performers without face coverings who are singing, playing wind instruments, engaging in physical activity, or similar performers at least 12 feet away from attendees?
- What other PPE or engineering controls (e.g. plexiglass partitions, stanchions, hedges) are you implementing to accomplish social distancing?
- How will you inform attendees, vendors, and performers of the social distancing requirements? (e.g. signage, announcements, etc.)
- Who will be responsible for enforcing social distancing requirements?

Risk Assessment Analysis:

- Who is attending/participating in the event? (any susceptible or at-risk populations?)
- Do your face covering, PPE and social distancing controls reasonably accommodate the needs of persons with disabilities?
- Will you require or recommend attendees, vendors and performers to download the COVID Trace app?
- Designate a primary contact from the event organizer that will be responsible for collecting and retaining contact information (name, phone, email, etc.) for all attendees for 60 days following the gathering or event to assist the local health authority with contact tracing should there be a positive case identified from the gathering or event.

Health Screenings & Isolation:

- Designate a medical professional who must always be located on-site (EMT, nurse, physician).
- Will you pre-screen staff, attendees, vendors, and/or performers? How? (e.g., testing, medical questionnaire or temperature checks)
- What will you do if someone on-site does not pass your screening requirements?
- What will you do if someone becomes ill with COVID-like symptoms on-site?

Employee/Staff Training & Enforcement:

- How will you train staff on cleaning and disinfecting?
- If you will be using chemicals that are corrosive or flammable, what is your Hazard Communication program?
- How will you train staff on face covering and PPE use?
- How many staff/volunteers will you have to enforce capacity, social distancing and face covering requirements?
- What will you do when a staff member, attendee, vendor, or performer does not comply with face covering, PPE or social distancing requirements? Who will have authority to deny entry or remove a patron who is not complying with the requirements?

Submission Instructions:

- Plans must be submitted to the Clark County Recovery Organization Enforcement Workgroup 10 days prior to the event. Note that local jurisdictions may have other approval requirements that also need to be met.
- **NOTE:** Events requiring road closures need to be submitted 90 days in advance.
- Phone: (702) 455-6562
- Email: CCROEnforcementWorkgroup@ClarkCountyNV.gov

Enforcement Measures

Overview of the Clark County Recovery Organization Enforcement Workgroup

The Clark County Recovery Organization Enforcement Workgroup continues to meet weekly and as needed to discuss emerging issues, clarify directive sections, distribute new sources of data coming from OSHA and SNHD, and ensure all parts of the region are consistent in the application of the directives. Enforcement Workgroup members include staff from the following agencies: the Gaming Control Board, the Division of Industrial Relations, the Nevada State Athletic Commission, the Southern Nevada Health District, Boulder City, the City of Las Vegas, Henderson, Mesquite, the City of North Las Vegas, Unincorporated Clark County, the Attorney General’s Office, and the Las Vegas Metropolitan Police Department.

As the Clark County Region is maximizing resources to identify and eliminate non-compliance to the Governor’s Directive, we will continue to analyze possible sources of non-compliance such as big box stores or hookah lounges. As trends are identified, we will continue to address issues via enforcement action up to license suspension. Common violations include businesses not enforcing the directive for customers to wear face coverings, businesses not enforcing the directive for employees to wear face coverings, businesses not enforcing the directive in respect to social distancing, and businesses operating over capacity.

The Enforcement Workgroup anticipates we can continue to improve our business compliance rates via boots on ground approach to methodically check businesses. Additionally, the jurisdictions use the data provided by OSHA and the SNHD to complete targeted inspections based on industry types linked to high transmission rates, zip codes with the highest transmission rates, and zip codes with the most complaints.

By utilizing a random, complaint-based, and data-driven hybrid inspection model, the region is able to efficiently address constituent concerns and observations while having the ability to pinpoint industry specific issues, such as the prohibition on karaoke. Each agency’s goal is to address complaints within 24 hours and respond to complainants within another 24 hours. Also important is the fact that inspections are conducted 7 days per week, which is invaluable to eliminating blind spots.

Should instances of non-compliance be observed by agents, enforcement action is applied. Possible actions include notice of violation, notice of non-compliance, misdemeanor citation, 36-hour suspension, and 14 day suspension. We will continue to evaluate the number of locations visited, emergency suspensions issued, citation issued, notices of civil penalty issued, notices of violation issued, and complaints received to determine when and where to apply resources. Further, the local jurisdictions, the SNHD, and the State agencies will continue to work together as a region to address non-compliance in a time-efficient and consistent manner.

The following metrics are applied to measure success and drive decisions:

Mesquite Quota = 56 per week
City of Las Vegas Quota = 1,946 per week
Unincorporated Clark County Quota = 2,254 per week
Boulder City Quota = 56 per week
North Las Vegas Quota = 420 per week
Henderson Quota = 581 per week
Total Regional Quota = 5,313 per week

Overview of the number observations conducted by county enforcement officials.

Clark County (including Boulder City, Mesquite, City of North Las Vegas, City of Henderson, and Unincorporated Clark County only)- This data does not include actions taken by the SNHD or State agencies

List of data since the beginning of the emergency enforcement actions started on 02/23/2020:

Total for Region as of 02/24/2021:

- Locations Visited: 219,932
- Emergency Suspensions Issued: 91
- Misdemeanor Citations Issued: 22
- Notice of Civil Penalty Issued: 137
- Notice of Violation Issued: 469
- Verbal Warning Issued: 1850
- Courtesy Notices Issued: 597
- Correction Notices Issued: 766
- Complaints: 9468
- Compliance Rate: 98.21%

Overview of compliance rates during county observations.

Overall, the Region has found businesses to be in compliance. During inspections, Agents found 216,000 locations to be in compliance and 3932 locations in which a compliance issue was noted. This represents a 98.21% compliance rate for the Clark County Region.

Overview of the number of violations and enforcement actions taken by local jurisdictions.

- 0.04% of inspections have resulted in an emergency suspension.
- 0.01% of inspections have resulted in a misdemeanor citation.
- 0.06% of inspections have resulted in a notice of civil penalty.
- 0.21% of inspections have resulted in a notice of violation.
- 0.84% of inspections have resulted in a verbal warning.
- 0.27% of inspections have resulted in a courtesy notice.
- 0.35% of inspections have resulted in a correction notice.
- Out of 219,932 inspections, only 1.79% resulted in an enforcement action.

Monitoring

Clark County, with support and planning services of City of Las Vegas, City of North Las Vegas, City of Henderson, Boulder City, City of Mesquite, and the Southern Nevada Health District, will continue monitoring and reporting the critical statewide metrics as presented [SOUTHERN NEVADA REGIONAL RECOVERY ORGANIZATION ACTION PLANS](#)

The Critical Statewide Metrics are:

- Average Number of tests per day per 100,000
- Case Rate per 100,000 last 30 days
- Case Rate (Per 100,000) AND testing positivity
- Hospital Capacity
- Access to Personal Protective Equipment
- Testing Capacity
- Case Investigation and Contact Tracing
- Protection of Vulnerable Populations
- Enforcement

PUBLIC INFORMATION

The SNHD Coronavirus webpage is widely followed in our community and beyond, it provides guidance for both the public and businesses on how to prevent the spread of this disease at home, public places, and the workplace. SNHD developed an interactive dashboard available to the public that shows daily updated reports of cases, hospitalizations, and mortality numbers as well as trends up to the zip code level. The Health District website includes a community calendar where residents and visitors can find available locations for testing and vaccinations.

Below is a table updated and communicated to the community on weekly vaccination sites

COVID-19 Vaccine Locations**

Week of April 5- April 11, 2021

Call toll-free at (800) 401-0946.

You can also visit: www.SNHD.info/COVID or www.NVCovidFighter.org.

NOTE: Walk-ins are only accepted at Cashman and the Las Vegas Convention Center.

Please review all identification requirements listed in advance of your appointment.
