BACKGROUND:

On October 2, 2018, the Board of County Commissioners approved a professional engineering services contract with Jacobs Engineering Group Inc. for the Charleston Boulevard between Nellis Boulevard and Whitewind Lane project.

The Board previously approved Supplemental Nos. 1 and 2 to the professional services contract to extend the contract term, and to include design services for Decatur Boulevard between Tropicana Avenue and Sahara Avenue, increase total funds for design services, and extend the contract term to December 31, 2023, respectively.

The attached Supplemental No. 3 to the professional services contract with Jacobs Engineering Group Inc. will increase total funds for additional engineering design services for the Decatur Boulevard between Tropicana Avenue and Sahara Avenue portion of the project, which includes extra traffic signal modifications and streetlight upgrades, professional services to prepare pedestrian access easement documents, and post design services.

Jacobs Engineering Group Inc. currently holds a Clark County Business License.

The District Attorney's Office has reviewed and approved the supplemental contract as to form.
