BACKGROUND:

The purpose of this Agreement and the Annual Operating Plan is to provide for cooperation in the wildland fire management (prevention, detection and suppression of wildland fires) and in all-hazard emergency support function activities as requested and authorized. The exchange of personnel, equipment, facilities, aircraft, supplies, services, and funds among the agencies is outlined. Further, the Agreement describes the conditions in which mutual aid periods are established to provide resources on a non-reimbursable basis, the conditions of Assistance for Hire on a reimbursable basis and can be used to provide resources for Interagency Incident Management Teams.

It is to the mutual advantage and benefit of the Mount Charleston Fire Protection District, U.S. Forest Service and Bureau of Land Management to provide for cooperation in the wildland fire management (prevention, detection and suppression of wildland fires) and in all-hazard emergency support function activities as requested and authorized within the respective territorial limits pursuant to NRS Chapter 277.180. The agreement was approved by the Board on June 7, 2016 and this modification will extend the agreement until June 5, 2022.

The District Attorney's Office has reviewed and approved the Agreement as to form.
