BACKGROUND:

The Moapa Valley Fire Protection District (District) was created pursuant to NRS 474.460 and Clark County Code Chapter 3.20. The District was created for the protection of property, public health, safety, and welfare of the inhabitants of Clark County. This agreement will provide cloud based software support for the data that is collected by the heart monitors used by the District. This subscription is essential to transfer data from EMS monitors into the patient care reporting system is insuring more accurate data entry and saving time to manually entering in the data. The subscription will also be used to transfer data to the hospital and incoming air resources of the patient condition. This in turn will alert the medical providers at the hospital of the patient condition in an effort to improve patient outcomes.
