BACKGROUND:

Since 2007, Clark County (County) and the Clark County Water Reclamation District (District) have participated as members of the Las Vegas Valley Watershed Advisory Committee (LVVWAC). The Boards for the County and District have previously agreed to and approved multi-agency agreements to contribute annually to the estimated operating budget for LVVWAC's maintenance activities for Las Vegas Wash (Wash), with the previous agreement for Fiscal Year 2020/2021 approved on June 2, 2020. Approval of this agreement will allocate the monetary resources necessary for LVVWAC's operating expenses among the signatories to the agreement. The Southern Nevada Water Authority (SNWA) provides technical and agency coordination for activities related to the Wash and administrative support to the LVVWAC.

The FY 2021/22 operating budget for LVVWAC is \$1,204,631. It is anticipated that there will be grant funding in the amount of \$311,900, leaving the local share of the budget at \$892,731. With the approval of the attached agreement, 40% of the local share (\$357,093) will be paid by SNWA. The remaining \$535,638 of the LVVWAC operating budget will be paid as follows: City of Henderson, \$46,065; Clark County Water Reclamation District, \$196,044; City of Las Vegas, \$80,703; City of North Las Vegas, \$34,281; Clark County, \$89,273; and Clark County Regional Flood Control District, \$89,273. Amounts are rounded for convenience. Funds are paid to SNWA as part of its administrative support of LVVWAC.
