BACKGROUND:

As a result of the completion of the 2020 US Census and in accordance to Clark County Code 3.36.010(c)(1) as authorized by NRS 244.016, the County Commission is required to redraw the boundaries of its seven (7) election districts in 2021.

To assist the Board in identifying potential consultants to assist with this effort, proposals have been submitted for consideration. The Board is asked to select one of the consultants, and direct staff to initiate work with the chosen firm.

Due to the delayed release of the 2020 Census data, staff is requesting that work begin immediately once the consultant is identified. This will ensure time to incorporate public input, update related ordinances as required, and for the Registrar of Voters to complete and finalize updated boundaries in time for the 2022 election cycle.
