**BACKGROUND:**

On July 19, 2016, the Board of County Commissioners approved a professional engineering services contract with GCW, Inc. to provide professional engineering services for roadway improvements and rehabilitation on various roadways in Clark County, Nevada. Two supplemental contracts were approved by the Board that extended the contract term and increased funds for additional engineering services.

County staff negotiated the attached professional engineering services contract with GCW, Inc., to continue with work previously completed as part of the three above-mentioned contracts. This subsequent contract will provide funding for the increase in scope for roadway designs for Las Vegas Boulevard from I-215 to Fashion Show Drive. The time of performance is effective to December 31, 2024, unless time extensions are granted.

GCW, Inc. currently holds a Clark County Business License.

The District Attorney's Office has reviewed and approved the contract as to form.
