ENTERPRISE - RESIDENTIAL SUBURBAN (UP TO 8 DU/AC)

ENTERPRISE - RURAL NEIGHBORHOOD PRESERVATION (UP TO 2 DU/AC)

BACKGROUND:

Project Description

The plans depict the vacation and abandonment of both public right-of-way and easements. Right-of-way to be vacated includes a 5 foot wide and 300 foot long section of Pebble Road to allow for a detached sidewalk.

Easements to be vacated include patent easements, equestrian trail easements, BLM grants for right-of-way, and resolutions relative to the acquisition of right-of-way.

Patent easements to be vacated include 33 foot wide and 3 foot wide easements around the perimeter of certain parcels. In addition, patent easements will be vacated along Rainbow Boulevard, Pebble Road, Tenaya Way, Belcastro Street alignment, and the Rainbow Boulevard alignment. The 14 foot wide equestrian trail easement along the Belcastro Street and Agate Avenue alignments are also requested to be vacated. BLM grants for right-of-way to be vacated are located along the Raven Avenue alignment, Belcastro Street alignment, Pebble Road, and Rainbow Boulevard. Lastly, a 20 foot wide resolution for the acquisition of right-of-way along Rainbow Boulevard is requested to be vacated.

According to the applicant, these rights-of-way and easements are no longer needed for the proposed single family residential development, which is a companion item on this agenda.

STANDARDS FOR APPROVAL:

The applicant shall demonstrate that the proposed request meets the goals and purposes of Title 30.

Analysis**Public Works - Development Review**

Staff cannot support the requested vacation since the street network in the area was first established by an approved multi-family project near Blue Diamond Road and Rainbow Boulevard. Subsequent to that approval, the proponents for a proposed school on a portion of the subject site worked very closely with staff to design a viable street network for the area, especially considering that a fire station is proposed at the southeast corner of Raven Avenue and the Rosanna Street alignment. That agreed upon street network allowed connectivity to Pebble Road, Tenaya Way, Rainbow Boulevard, and Blue Diamond Road. With the applicant's proposal, the street network for that same area bounded by those collector and arterial streets will be cut off leaving a disjointed street network with a group of streets where each street only allows one-way into the area and one-way out.

Staff Recommendation

Denial. This item has been forwarded to the Board of County Commissioners for final action.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.

PLANNING COMMISSION ACTION: June 15, 2021 – APPROVED – Vote: Unanimous
Absent: Kilarski, Frasier

Current Planning

- Satisfy utility companies' requirements.
- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that the

recording of the order of vacation in the Office of the County Recorder must be completed within 2 years of the approval date or the application will expire.

Public Works - Development Review

- Right-of-way dedication to include 21 feet for Raven Avenue and 21 feet for Belcastro Street near the northwest portion of the site, if required by Public Works, 30 feet and an elbow for Raven Avenue on the east portion of the site, 40 feet for Tenaya Way, 30 feet and an elbow for Agate Avenue, 30 feet for Montessouri Street, 55 feet to the back of curb for Rainbow Boulevard, 50 feet for Pebble Road where non-urban standards apply, 45 feet to 50 feet to the back of curb for Pebble Road where full off-sites are required, and all associated spandrels;
- If required by Public Works, vacate all of Belcastro Street and Raven Avenue near the northwest portion of the site and reserve or grant private access easements as necessary;
- Apply for a public BLM right-of-way grant through Public Works - Development Review Division for any necessary rights-of-way on BLM land abutting the subject site;
- If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a bus turnout on the west side of Rainbow Boulevard, just south of Pebble Road, including a 5 foot by 25 foot bus shelter pad easement behind the sidewalk in accordance with RTC standards.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control.

Building Department - Fire Prevention

- Applicant is advised that fire objects to the proposal to end Raven Avenue in a cul-de-sac; and that there is a previously approved agreement to allow a temporary condition of single source water supply for the proposed fire station which should be resolved with build out of road west of the station.

TAB/CAC: Enterprise - denial.
