BACKGROUND:

On December 17, 2019, the Board of County Commissioners approved a professional services contract with GeoTek, Inc. for staff augmentation for quality assurance or independent assurance testing and inspection on various Clark County Department of Public Works (CCPW) projects, as needed.

Due to CCPW's present and anticipated project workload and our limited testing resources, the services of an outside consultant are needed for quality assurance and independent assurance testing and inspection on various CCPW.

The attached Supplemental No. 1 to the professional services contract Geo Tek, Inc. increases total funds for additional quality assurance or independent assurance testing and inspection on various CCPW projects related to work orders assigned to GeoTek, Inc. under this contract.

Geo Tek, Inc. currently holds a Clark County Business License.

The District Attorney's Office has reviewed and approved the supplemental contract as to form.
