Petitioners: Denis Cederburg, Director of Public Works
Thomas Minwegen, General Manager, Clark County Water Reclamation District

Recommendation:

Approve and authorize the respective Chairs sign an interlocal agreement between Clark County and Clark County Water Reclamation District for the construction and funding of Lamb Boulevard improvements as part of the Sandhill Road Interceptor project. (Also sitting as the Clark County Water Reclamation District Board of Trustees) (For possible action)

FISCAL IMPACT:

Fund #:	2020.000	Fund Name:	Road
Fund Center:	1260110001	Funded PGM/Grant:	PW.Pavement_Rehab
Amount:	\$559,425		
Description:	Lamb Blvd Improvements - Hacienda to Reno		
Additional Comments:	N/A		

BACKGROUND:

The Clark County Water Reclamation District ("CCWRD") has designed and is constructing a project known as "Sandhill Interceptor CCWRD Project No. 17012" (District's Project). Clark County has a project known as "Lamb Boulevard between Hacienda Avenue and Reno Boulevard" (County's Project). The County desires CCWRD to include the County's repaving and improvement plans to Lamb Boulevard between Hacienda Avenue and Reno Boulevard with the District's Project. CCWRD is willing to construct and perform contract administration for the County's Project.

The County will pay to CCWRD all actual construction costs in the not-to-exceed amount of \$559,425, which is the estimated cost of the County's Project.

The attached interlocal agreement further details the responsibilities, stipulations, and terms for both the County and CCWRD as they relate to this joint project.

The County and the CCWRD's legal counsels have reviewed and approved the interlocal agreement as to form.
