**AGREEMENT
THE COUNTY AGREES:**

1. To provide a portion of the funds generated by the Special License Plate fees as approved by the Board of County Commissioners ("BCC"). Such funds will be used in accordance with the purposes contemplated in NRS 482.37935, and Attachment "A" attached hereto. The funds will be disbursed in accordance with the Disbursement Procedures in Attachment "B" attached hereto.

THE FPD AGREES:

1. To utilize the Special License Plate fees for the beneficial use in the Mt. Charleston Area and as outlined in Exhibit "A."
2. To utilize funds made available under this Agreement only for the purposes identified in this Agreement, or in amendments to this Agreement made in writing and signed by both parties.
3. To provide access to County personnel upon prior request, for the review of all accounting records of funds provided pursuant to this Agreement. Such access will be in addition to the Disbursement Procedures in Attachment B. Records shall be kept in the following manner:
 - a. FPD shall record all costs of the Program by budget line item which shall be supported by source documentation, including checks, payroll, time records, invoices, contracts, vouchers, orders, and other accounting documents in proper detail to support the nature and propriety of all costs. At any time during normal business hours, FPD's financial transactions with respect to the Program may be audited by the County or independent auditors contracted by the County, or any combination thereof. The representatives of the auditing agency or agencies shall have access to all books, documents, accounts, records, reports, files, papers, things, property, recipients of program services, and other persons pertaining to such financial transactions and necessary to facilitate the audit.
 - b. Copies, excerpts, or transcripts of all of the books, documents, papers, and records, including checks, payrolls, time records, invoices, contracts, vouchers, orders, and accounting documents concerning matters that are reasonably related to the Program will be provided upon request to the County.
 - c. Expenditures will be reviewed for consistency with the approved budget and scope of services. Should the County determine that expenditures did not fall within identified purposes for which the money was granted, the County will give notice to the FPD that the expenditure was not allowed and will request that the funds be reimbursed. FPD shall pay all costs of the Program which exceed the total amount of the funds provided by the County under this Agreement.
 - d. In the event that the County finds that the total amount of the funds allocated for the Program are not expended in the time and manner prescribed in this Agreement, the County reserves the right to utilize that portion for other projects and programs under the Mt. Charleston Special License Plate program.

- e. Upon the expiration or revocation of this Agreement, FPD shall transfer to the County any remaining funds at the time of expiration or revocation, and any accounts receivable attributable to the use of the funds.

4. To the extent permitted by Nevada law, FPD shall protect, defend, indemnify, and save harmless the County from and against any and all liability, damages, demands, claims, suits, liens, and judgments of whatever nature including but not limited to claims for contribution or indemnification for injuries to or death of any person or persons, caused by, in connection with, or arising out of any activities undertaken pursuant to this Agreement. FPD's obligation to protect, defend, indemnify, and save harmless as set forth in this paragraph shall include any and all reasonable attorneys' fees incurred by the County in the defense of handling of said suits, demands, judgments, liens, and claims and all reasonable attorney' fees and investigation expenses incurred by the County in enforcing or obtaining compliance with the provisions of this Agreement. In the event that the County incurs any expenses in this regard, it shall have a right to charge said expenses made in good faith to FPD. An itemized statement of expenses shall be prima facie evidence of the fact and extent of the liability of FPD.

5. To the extent permitted by law, FPD shall not institute any action or suit at law or in equity against County, nor institute, prosecute or in any way aid in the institution or prosecution of any claim, demand, action, or cause of action for equitable relief, damages, costs, loss of services, expenses, or compensation for or on account of any damage, loss or injury either to person or property, or both, whether developed or undeveloped, resulting or to result, known or unknown, past, present or future, arising out of, in any way, the terms of this Agreement.

BOTH PARTIES AGREE:

1. Any amendments to the Agreement must be in writing and signed by the Parties.
2. All grant funds to be disbursed will be at the sole discretion of the County. The Parties may periodically review and evaluate the programs covered by this Agreement.
3. Both the FPD and County obligations under this Agreement are contingent and conditioned upon sufficient funding from the Special License Plate fees outlined in NRS 482.37935. If sufficient fees are not received from the State Treasurer, neither FPD nor the County has any continuing obligation under this Agreement once existing funds are expended or the contract is terminated.

4. The term of this Agreement is for a period not to exceed one (1) year from the date this Agreement is signed by both Parties. The Parties may, by written approval, extend the Agreement.

5. Should the FPD desire to obtain additional funding under the Special License Plate program, FPD shall submit a new allocation request for approval. Approval shall be determined by the BCC upon advice of the Mt. Charleston Town Advisory Board. Nothing in this agreement shall be construed as a guarantee of continuing funding beyond the approved yearly grant.

6. Nothing in this Agreement shall create or imply an employee/employer relationship between the Parties. Both parties shall be subject to the terms and conditions of employment of its respective entity.

7. Either Party may terminate this Agreement at any time without cause by providing sixty days written notice to the other. If this Agreement is terminated, the County may request a final accounting. All unused funds will be returned to the County.
