**BACKGROUND:**

This Memorandum of Understanding (MOU) is intended to promote continued intergovernmental coordination and cooperation between the parties with the belief that the Regional Justice Center (RJC) Long Range Space Plan can accommodate the immediate and long term facility needs of each respective court.

There have been ongoing space plan meetings over the last several years with numerous comprehensive planning meetings between the Eighth Judicial District Court (EJDC), Las Vegas Justice Court (LVJC) Chief Judges, Court Administrators and County management. The RJC Long Range Space Plan is the result of these meetings.

This MOU commences upon the approval of the Chief Judges of the EJDC and LVJC and the Clark County Board of Commissioners and will continue until all 21 steps are completed or until terminated.
