Project Description

General Summary

- Site Address: 1550 E. Tropicana Avenue
- Site Acreage: 0.7
- Project Type: Massage

Site Plans & History

The plans show a 720 square foot lease space within an existing in-line retail center used for massage. The massage business was first approved in January 2001, subject to 3 years for review. However, the applicant failed to apply for an extension of time; therefore, that use permit expired. UC-1188-04 re-established the massage use and was approved with a 5 year review. The subsequent extension of time, UC-1188-04 (ET-0184-09), was also approved with a 5 year review. In 2016, UC-1188-04 (AR-0098-16) was approved with a 5 year time limit for review, and this application represents a fourth application for review.

Applicant's Justification

The applicant states that Hawaii Massage was approved by the County and an application review was submitted as a required 5 year review. There have been no significant changes to the

business or location, and has maintained continuous operations. The applicant is also requesting removal of the time limit.

Analysis**Current Planning**

Title 30 standards of approval for an application for review state that such an application may be denied or have additional conditions imposed if it is found that circumstances have substantially changed. A substantial change may include, without limitation, a change to the subject property, a change in the areas surrounding the subject property, or a change in the laws or policies affecting the subject property. Using the criteria set forth in Title 30, no substantial changes have occurred since the original approval.

Reviews of this massage establishment have been approved on 3 previous occasions in August 2009, June 2014, and August 2016 with the current application for the fourth review. An inquiry made to the Clark County Metropolitan Police Department shows that there have been no incidents, arrests, or complaints regarding this business since the last review. In addition, there have been no public response complaints filed against this massage business and the Clark County business license is in good standing; therefore, staff can support approval of this review and removal of the time limit.
