Shannon Gildea, Coordinator
Court Improvement Program
Nevada Supreme Court | Administrative Office of the Courts
201 S. Carson Street, Suite 250
Carson City, NV 89701

Dear. Ms. Gildea,

Clark County Family Services is requesting \$50,000.00 from the Court Improvement Project to assist with expediting achieving permanency through adoption for children in Clark County foster care. Due to Covid-19 restrictions, Clark County has experienced a backlog in being able to process adoptions for children. Covid-19 restrictions suspended the ability to take relinquishments from parents, delayed hearings, and creating a backlog in documentation requirements. This contract would provide additional support to overcome the current backlog and help many children achieve permanency through adoption. Your support would be greatly appreciated.

Sincerely,

Tim Burch, Administrator of Human Services
