Amount:	N/A		
Description:	N/A		
Additional Comments:	N/A		

BACKGROUND:

The Regional Transportation Commission of Southern Nevada (RTC) has approved and budgeted funding for the RTC - Traffic Signal Maintenance project (Clark County Public Works Project No. PW.R262EFT) in the amount of \$400,000 in RTC's Highway Improvement Acquisition Fund for Fiscal Year 2022. RTC; in coordination with Clark County, City of Las Vegas, City of North Las Vegas, City of Henderson, City of Boulder City, and City of Mesquite (collectively "Member Entities"), intends to repair, replace and maintain traffic signal detection at various locations throughout Clark County.

Currently, RTC's Freeway and Arterial System of Transportation (FAST) department is in contract with Las Vegas Electric (LVE), authorizing LVE to respond to emergency calls. The attached Interlocal Contract No. 1321 identifies RTC as the lead agency and responsible party for all costs associated with the subject project, and approves Contract 19-047 entered between LVE and FAST of RTC that will authorize LVE to make temporary and/or permanent repairs for the Member Entities. The time of performance is effective to June 30, 2022, unless time extensions are granted.

This project is included on the adopted RTC Capital Improvement Plan. RTC approved the interlocal contract at its meeting on September 9, 2021.

Each of the Member Entities is scheduled to approve the interlocal contract at their respective Board/Council meetings.

The District Attorney's Office has reviewed and approved the interlocal contract as to form.
