**BACKGROUND:**

In accordance with Clark County Code 3.36.01(c)(1), County Commission district boundaries are required to be redrawn in conjunction with each decennial census. On June 1, 2021, the Board selected Main Street Communications (Dave Heller) as the consultant to assist in the redistricting effort.

On October 4, 2021, a meeting was held at the Clark County Government Center to solicit public feedback on the proposed boundary changes. Additionally, a website has been made available to allow residents to view the proposed boundary changes and submit comments on the new districts.

Mr. Heller is prepared to give a report on this process and proposals presented to the Board.
