Letter of Interest
July 20, 2021

From a Chinese heritage, I have always been influenced by my culture and surrounded by the Asian community in San Francisco, San Jose, Honolulu, and now in Las Vegas. I find the Asian community in Las Vegas is fragmented and needs to be solidified to be a strong influence in our community.

I believe I can bring the various Asian groups in Las Vegas together for a common cause where all will benefit. I have been told that I have a lot of patience with people and am a good listener. With my professional nature and friendly approach to people, I can represent the needs and wants of the various groups in the Asian community.
