KEY PROFESSIONAL EXPERIENCE

Michael has 30+ years of experience as a building, life safety and accessibility code consultant for both public and private commercial development projects. A portion of that experience includes 10 years as an architectural project manager; overseeing the design, preparation and submission of design submittal packages for various projects throughout the United States. His primary experience includes a concentration in fire & life safety code consulting, ADA / accessibility analysis, the preparation of fire protection reports, AHJ liaison & permitting assistance, third-party plan reviews, and performance-based code solutions including: alternate methods, code variances and appeals. Michael's possesses a unique ability to find creative value engineering solutions to complex design challenges.

Michael is the founding President & CEO of PCNA Group (founded 2009). Over the past decade, he has guided the organic growth of the firm to over 10 employees in the Las Vegas office, plus the establishment of a new office in Seattle, Washington. While overseeing the overall management, growth and development of the firm, Michael continues to be directly involved in all aspects of project management, design, code application, and inspections.

Just off his 2-year term on the Southern Nevada ICC (SNICC) Board of Directors, Michael continues to serve the organization as Chair of the Scholarship Selection Committee & Workforce Development Committee. Michael oversees the distribution of \$50K annual disbursement of academic & technical training grants and awards.
