I have almost 20 Years of Transit Management experience at San Francisco International Airport, Las Vegas Monorail, & McCarran Airport Systems. 15 years Operations & Maintenance Management with Operations Control Center and Train maintenance experience. I played an integral role in the launch of 4 successful start-up operations for major airport transportation projects (SFO, Sacramento, DFW, and Beijing).

I currently plan, organize, and direct the work of 29 team members made up of supervisors, and transit technicians. I oversee the Tram maintenance schedules for McCarran Airport and ensure the required safety, security and procedural manuals are current and in compliance with regulatory agencies.

My prior career was spent with Train Manufacturer Bombardier Transportation and my years of experience enables me to be highly proficient in safety compliance, maintenance, training, system operations, and team management.
