

Clark County is currently seeking applications for all positions mentioned above. All appointments to the CBBA will occur at a future BCC meeting, notification will be provided, and the appointments will be for a four-year term.

Application Overview:

If you are interested in applying for membership on the CBBA, please complete the application below. If you have any questions related to the CBBA or the application process, please email Theresa.Atimalala@ClarkCountyNV.gov.

Full Name: (First, Middle Initial, Last): Benjamin Dale Rogers

Home Street Address: 8118 Denevin Street

Home Address City/State/Zip Code: Las Vegas, NV 89131

Mailing Address: 1645 Village Center Circle, Suite 10

Mailing Address City/State/Zip Code: Las Vegas, NV 89134

Employer: Wright Engineers

Occupation: Structural Engineer

Email Address: [REDACTED]

Cell Phone: [REDACTED]

Best Daytime Contact Phone: [REDACTED]

Please select what position you are apply for:

- ☐ Architect
- ☐ General Contractor
- ☒ Civil or Structural Engineer
- ☐ Residential Construction Industry Representative
- ☐ Master Electrician
- ☐ Mechanical Engineer
- ☐ Layperson
- ☐ Amusement and Transportation Systems Industry Representative

Relevant Affiliations: Please list below any other committees you are currently serving on. Please list, if applicable, the jurisdiction and term of appointment. If you were appointed by an individual and not by a local jurisdiction, please include that information. If you need additional space, please attach an additional sheet of paper.

I am currently serving as the president elect for the Structural Engineers Association of Southern Nevada. I have about 2 years and 4 months left on the 3 year term. I was elected to this position.

Skills and Experience: Please provide a brief description of your qualifications; include any special skills, interests, experience, or training which you possess or have completed that would benefit the work of the Combined Board of Building Appeals. If you need additional space, please attach an additional sheet of paper.

I graduated from UNLV in 2000 with my bachelors degree in civil engineering and in 2001 with my masters degree in civil engineering. I have been practicing structural engineering in the Las Vegas valley for over 20 years. I have worked in all major building materials and a wide range of project sizes. I have periodically performed plan review services for the State of Nevada.

A resume or letter of interest is REQUIRED. Please attach it to this application.

I certify that the information provided in this application and supporting documentation is true and accurate to the best of my knowledge.

American Institute of Steel
Construction (AISC)

› **Longford Medical Office Building and Parking Garage – Las Vegas, NV**

A 132,000 square-foot, four-story office building that includes offices, an imaging center, and a surgery center. An adjacent three level 607 space parking garage is connected to the office building by a conditioned bridge that spans eighty feet across the drive. A “wide module/skip joist” system was used to frame the floors to reduce construction cost and time.

› **University Park Student Housing – Las Vegas, NV**

A five-story, 460,000 square-foot building with a five-story, 217,000 square-foot parking garage. The five-story building was constructed of wood on slab on grade.

› **Station Park - Farmington, UT**

Station Park sits on a 62-acre property and is comprised of over 1.2 million square feet of retail, restaurants, hotel, and class A office space as well as a 14-screen XD Cinemark theater. Five new 1 to 3-story buildings ranging from 10,000 square feet to 180,000 square foot buildings constructed out of steel frame.

› **Desert Parkway Behavioral Health Hospital – Las Vegas, NV**

A 52,000 square foot, two-story, 84 bed behavioral hospital with patient rooms, limited treatment rooms, medication dispensary, exercise space and appropriate ancillary spaces.

› **Sacramento Behavioral Health Hospital – Sacramento, CA**

A 70,860 square foot, single-story behavioral health hospital. This project included patient rooms, limited treatment rooms, medication dispensary, exercise space and appropriate ancillary spaces.
