BACKGROUND:

Project Description

This is a request to reduce the right-of-way width of Las Vegas Boulevard South between St. Rose Parkway and the state line at Primm from 300 feet to 200 feet on Maps 1.3, 7, 10, and 16 of the Transportation Element of the Clark County Comprehensive Master Plan.

Applicant's Justification

The applicant states that the request is consistent with the 200 foot wide right-of-way planned for Las Vegas Boulevard South north of St. Rose Parkway. Additionally, the City of Henderson has not consistently been requiring dedication of a 300 foot wide right-of-way for Las Vegas Boulevard South for parcels within its jurisdiction.

Analysis

Community Planning

Staff finds the request for the plan amendment to the Transportation Element appropriate for this location. The amendment request will allow for a consistent right-of-way width for Las Vegas Boulevard South that matches with the width of Las Vegas Boulevard South north of St. Rose Parkway. Additionally, the City of Henderson has not been requiring 300 feet of right-of-way dedication for Las Vegas Boulevard South for parcels within its jurisdiction; therefore, to allow for a consistent right-of-way width along the entirety of Las Vegas Boulevard South, staff can support this request.

Staff Recommendation

Adopt. This item has been forwarded to the Board of County Commissioners for final action.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.
