BACKGROUND:

Project Description

This is a request to remove an 80 foot wide right-of-way being Grand Canyon Drive (alignment) located between Pebble Road and Ford Avenue, and designated as a collector street on Map 1.3 of the Transportation Element of the Clark County Comprehensive Master Plan.

Applicant's Justification

The applicant states that the Blue Diamond Wash prevents the continuation of Grand Canyon Drive in this area, and therefore, Grand Canyon Drive is not needed for future right-of-way purposes.

Analysis

Community Planning

Staff finds the request for the plan amendment to the Transportation Element appropriate for this location. The section of right-of-way will not be used as a collector street as designated on Map 1.3. The Blue Diamond Wash prevents Grand Canyon Drive from going through and there are no plans to construct a bridge over the wash; therefore, staff can support this request.

Staff Recommendation

Adopt. This item has been forwarded to the Board of County Commissioners final action.

If this request is approved, the Board and/or Commission finds that the application is consistent with the standards and purpose enumerated in the Comprehensive Master Plan, Title 30, and/or the Nevada Revised Statutes.
