Summary:

Clark County's Urban County CDBG Consortium for FY 2020-2023 includes the unincorporated County, Boulder City, and Mesquite. The Cities of North Las Vegas, Las Vegas, and Henderson elected not to participate in the CDBG consortium agreement. However, the City of North Las Vegas will continue to participate with the county's HOME Consortium for FY 2020-2023.

An ordinance was adopted on October 20, 1981, creating a citizens advisory committee to enhance public accountability during the CDBG, ESG, and HOME program planning, application, and implementation phases. MIR #5470, issued August 27, 2009, explains the role and purpose of the CDAC, including its long history of citizen involvement and participation.

The CDAC consists of a potential 36 members (not including optionally nominated alternates): a representative from each of the nineteen (19) town advisory boards and citizens' advisory councils, and fourteen (14) at-large members appointed by the Commission. CDAC membership also includes one representative from each of the three (3) participating cities of North Las Vegas, Boulder City, and Mesquite that serve as non-voting members.

The Indian Springs TAB elected not to designate representatives for the CDAC this year, keeping the CDAC membership to 30. The town advisory boards (TABs) and citizens' advisory councils (CACs) from the Lone Mountain, Winchester, and Lower Kyle Canyon will make nominations at the next available opportunity to meet. Any future nominations will be included in a subsequent agenda item.
