Current Planning

- No Resolution of Intent and staff to prepare an ordinance to adopt the zoning;
- Certificate of Occupancy and/or business license shall not be issued without final zoning inspection.
- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that the waivers of development standards and design reviews must commence within 4 years of approval date or they will expire.

Public Works - Development Review

- Drainage study and compliance;
- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;
- Full off-site improvements;
- Right-of-way dedication to include 55 feet to the back of curb for Rainbow Boulevard;
- If required by the Regional Transportation Commission (RTC), dedicate and construct a 5 foot by 25 foot shelter area behind the sidewalk, approximately 80 feet north of Erie Avenue (alignment), in accordance with RTC standards;
- Coordinate with Public Works - Design Division for the Rainbow Boulevard improvement project;
- Dedicate any necessary right-of-way and easements for the Rainbow Boulevard improvement project.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Building Department - Fire Prevention

- Applicant is advised that fire/emergency access must comply with the Fire Code as amended (fire access T turnaround may not be proper size).

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0193-2021 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.

CONDITIONS OF APPROVAL - FORWARDED TO THE 07/07/21 BCC MEETING.

Current Planning

- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified; and that a final map for all, or a portion, of the property included under this application must be recorded within 4 years or it will expire.

Public Works - Development Review

- Drainage study and compliance;
- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;
- Full off-site improvements;
- Right-of-way dedication to include 55 feet to the back of curb for Rainbow Boulevard;
- If required by the Regional Transportation Commission (RTC), dedicate and construct a 5 foot by 25 foot shelter area behind the sidewalk, approximately 80 feet north of Erie Avenue, in accordance with RTC standards;
- Coordinate with Public Works - Design Division for the Rainbow Boulevard improvement project;
- Dedicate any necessary right-of-way and easements for the Rainbow Boulevard improvement project.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Building Department - Fire Prevention

- Applicant is advised that fire/emergency access must comply with the Fire Code as amended (fire access T turnaround may not be proper size).

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0193-2021 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.

CONDITIONS OF APPROVAL - FORWARDED TO THE 07/07/21 BCC MEETING.

Current Planning

- Resolution of Intent to complete in 4 years;
- Any lot north of Raven Avenue alignment, on west side of site (Montessori Street alignment) to be a minimum of 10,000 square feet;
- Enter into a standard development agreement prior to any permits or subdivision mapping in order to provide fair-share contribution toward public infrastructure necessary to provide service because of the lack of necessary public services in the area;
- Certificate of Occupancy and/or business license shall not be issued without final zoning inspection.
- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a new application for a nonconforming zone boundary amendment may be required in the event the building program and/or conditions of the subject application are proposed to be modified in the future; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; and that the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified.

Public Works - Development Review

- Drainage study and compliance;
- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;
- Full off-site improvements unless waived by this or a subsequent application;
- Right-of-way dedication to include 21 feet for Raven Avenue and 21 feet for Belcastro Street near the northwest portion of the site, if required by Public Works, 30 feet and an elbow for Raven Avenue on the east portion of the site, 40 feet for Tenaya Way, 30 feet and an elbow for Agate Avenue, 30 feet for Montessori Street, 55 feet to the back of curb for Rainbow Boulevard, 50 feet for Pebble Road where non-urban standards apply, 45 feet to 50 feet to the back of curb for Pebble Road where full off-sites are required, and all associated spandrels;
- If required by Public Works, vacate all of Belcastro Street and Raven Avenue near the northwest portion of the site and reserve or grant private access easements as necessary;
- Execute a Restrictive Covenant Agreement (deed restrictions);
- Apply for a public BLM right-of-way grant through Public Works - Development Review Division for any necessary rights-of-way on BLM land abutting the subject site;
- If required by the Regional Transportation Commission (RTC), dedicate and construct right-of-way for a bus turnout on the west side of Rainbow Boulevard, just south of Pebble Road, including a 5 foot by 25 foot bus shelter pad easement behind the sidewalk in accordance with RTC standards.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Building Department - Fire Prevention

- Applicant is advised that fire objects to the proposal to end Raven Avenue in a cul-de-sac; and that there is a previously approved agreement to allow a temporary condition of single

source water supply for the proposed fire station which should be resolved with build-out of road west of the station.

Southern Nevada Health District (SNHD) - Septic

- Applicant is advised that there is an active septic permit on APN 176-22-501-004; to connect to municipal sewer and remove the septic system in accordance with Section 17 of the SNHD *Regulations Governing Individual Sewage Disposal Systems and Liquid Waste Management*; and to submit documentation to SNHD showing that the system has been properly removed.

WAIVERS OF DEVELOPMENT STANDARDS for the following: 1) waive landscaping to a less intense use; and 2) increase wall height.

DESIGN REVIEWS for the following: 1) a single family residential development; and 2) finished grade. Generally located on the northeast corner of Arville Street and Frias Avenue (alignment) within Enterprise (description on file). JJ/al/jd (For possible action)

STAFF RECOMMENDATION: Robert Kaminski, Principal Planner, presented the application and stated the conditions are as listed on the agenda. The applicant spoke on the matter and there was 1 speaker in opposition.

ACTION: It was moved by Commissioner Duy Nguyen that the application be Approved, subject to the conditions as listed below, by the following vote:

VOTING AYE: Nelson Stone, Steve Kirk, Timothy Castello, Duy Nguyen, and Jenna Waltho

VOTING NAY: None

ABSENT: Edward Frasier III, and Vivian Kilarski

ABSTAIN: None

CONDITIONS OF APPROVAL - FORWARDED TO THE 07/21/21 BCC MEETING.

Current Planning

- Resolution of Intent to complete in 4 years;
- Lots adjacent to APN 177-30-701-013 to be a minimum 5,200 square feet;
- Provide pedestrian access through the common element to Arville Street;
- Expunge NZC-19-0612 for this site with approvals for NZC-19-0612 to remain active for all parcels that are not a part of this request;
- Certificate of Occupancy and/or business license shall not be issued without final zoning inspection.
- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a new application for a nonconforming zone boundary amendment may be required in the event the building program and/or conditions of the subject application are proposed to be modified in the future; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; and that the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified.

Public Works - Development Review

- Drainage study and compliance;
- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;
- Full off-site improvements;
- Right-of-way dedication to include 25 feet to the back of curb for Frias Avenue, 35 feet to the back of curb for Arville Street, an off-set cul-de-sac at the eastern terminus of Haleh Avenue, east of APN 177-30-701-013, unless that area is otherwise part of a vacation application as described below, and associated spandrels;
- Applicant shall work with staff to determine the need for Haleh Avenue east of Arville Street, which may require an additional vacation application in the future.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Department of Aviation

- Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each residential unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office is strongly encouraged; that the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998; and that funds will not be available in the future should the residents wish to have their buildings purchased or soundproofed.

Building Department - Fire Prevention

- Applicant is advised to submit plans for review and approval prior to installing any gates, speed humps (speed bumps not allowed), and any other fire apparatus access roadway obstructions.

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0458-2020 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.
