CONDITIONS OF APPROVAL - FORWARDED TO THE 07/21/21 BCC MEETING.

Current Planning

- Resolution of Intent to complete in 4 years;
- 9 foot walls to be terraced;
- Keep access to Gary Avenue only;
- 7,500 square foot lots along Richmar Avenue and along APN 176-24-801-002;
- Provide pedestrian access through the common elements to Richmar Avenue, Gary Avenue, and Decatur Boulevard;
- Enter into a standard development agreement prior to any permits or subdivision mapping in order to provide fair-share contribution toward public infrastructure necessary to provide service because of the lack of necessary public services in the area;
- Certificate of Occupancy and/or business license shall not be issued without final zoning inspection.
- Applicant is advised that the County is currently rewriting Title 30 and future land use applications, including applications for extensions of time, will be reviewed for conformance with the regulations in place at the time of application; a new application for a nonconforming zone boundary amendment may be required in the event the building program and/or conditions of the subject application are proposed to be modified in the future; a substantial change in circumstances or regulations may warrant denial or added conditions to an extension of time; and that the extension of time may be denied if the project has not commenced or there has been no substantial work towards completion within the time specified.

Public Works - Development Review

- Drainage study and compliance;
- Drainage study must demonstrate that the proposed grade elevation differences outside that allowed by Section 30.32.040(a)(9) are needed to mitigate drainage through the site;
- Traffic study and compliance;
- Full off-site improvements;
- Right-of-way dedication to include 30 feet for Gary Avenue with a portion of an elbow at Hauck Street, 30 feet for Edmond Street, 30 feet for Richmar Avenue, 5 additional feet to the back of curb for Decatur Boulevard, and associated spandrels;
- Coordinate with Public Works - Design Division for the Decatur Boulevard improvement project;
- Dedicate any necessary right-of-way and easements for the Decatur Boulevard improvement Project.
- Applicant is advised that the installation of detached sidewalks will require dedication to back of curb and granting necessary easements for utilities, pedestrian access, streetlights, and traffic control; and that approval of this application will not prevent Public Works from requiring an alternate design to meet Clark County Code, Title 30, or previous land use approvals.

Department of Aviation

- For that portion in the AE-60, applicant must record a stand-alone noise disclosure form against the land, and provide a copy of the recorded document to the Department of Aviation;
- For that portion in the AE-60, applicant must provide a copy of the recorded noise disclosure form to future buyers/renters, separate from other escrow documents, and provide a copy of the document to the Department of Aviation;
- For that portion in the AE-60, applicant must provide a map to future buyers/renters, as part of the noise disclosure notice, that highlights the project location and associated flight

- tracks, provided by the Department of Aviation when property sales/leases commence;
- For that portion in the AE-60, incorporate an exterior to interior noise level reduction of 30 decibels into the building construction for the habitable space that exceeds 35 feet in height or 25 decibels into the building construction for the habitable space that is less than 35 feet in height.
- Applicant is advised that issuing a stand-alone noise disclosure statement to the purchaser or renter of each residential unit in the proposed development and to forward the completed and recorded noise disclosure statements to the Department of Aviation's Noise Office is strongly encouraged; that the Federal Aviation Administration will no longer approve remedial noise mitigation measures for incompatible development impacted by aircraft operations which was constructed after October 1, 1998; and that funds will not be available in the future should the residents wish to have their buildings purchased or soundproofed.

Building Department - Fire Prevention

- Applicant is advised to submit plans for review and approval prior to installing any gates, speed humps (speed bumps not allowed), and any other fire apparatus access roadway obstructions.

Southern Nevada Health District (SNHD) - Septic

- Applicant is advised that there is an active septic permit on APN 176-24-801-008; to connect to municipal sewer and remove the septic system in accordance with Section 17 of the SNHD *Regulations Governing Individual Sewage Disposal Systems and Liquid Waste Management*; and to submit documentation to SNHD showing that the system has been properly removed.

Clark County Water Reclamation District (CCWRD)

- Applicant is advised that a Point of Connection (POC) request has been completed for this project; to email sewerlocation@cleanwaterteam.com and reference POC Tracking #0392-2020 to obtain your POC exhibit; and that flow contributions exceeding CCWRD estimates may require another POC analysis.
